HEAVY GERMAN ARTILLERY BATTERING STALINGRAD AS GROUND TROOPS FAIL

MIGHTIEST GERMAN BATTLESHIP CLAIMED READY FOR RAIDS

RED ARMY FIGHTS ON TO SAVE CITY OF STALIN FROM INVADERS

By JAMES M. LONG
Associated Press War Editor.

Gemany's mightiest battleship, the Tirpitz, sister-ship of the sunken Bismarck was reported today to have left the shelter of Trondheim Fjord under cover of Nazi warplanes, challenging American and British naval power in a hunt for allied convoys carrying aid to Russia on the hazardous Arctic route to Murmansk.

In a siege stand surpassing Sevastopol, the Red army fought on desperately at Stalingrad amid the shell and bomb-torn wreckage of that stronghold on the Volga, stemming the nazi onrush for the fourth consecutive day and in some places hurling the Germans back by the fury of its counter-attacks.

Despite the disadvantageous position of the defenders, with their backs to the Volga, the outcome could not be foreseen. The stubborn street-by-street and house-by-house battle for the city of Stalin was of the same sort that saved Moscow and Leningrad last fall and early winter. Isolated Sevastopol fell in 27 days. Stalingrad is in its 28th day of battering by tanks and guns and the ruinous rain of bombs.

German long-range artillery took over the work of destruction today, shaking the shell-pocked city from end to end in a thundering barrage which all but drowned the clatter of rifle and machinegun fire of the troops locked in close quarter fighting in the streets of the suburbs.

Willkie In Moscow.

In Moscow, Wendell L. Willkie declared he had found the Russians had "no idea of quitting."

Bearer of a written message from President Roosevelt to Premier Stalin, Willkie said the Russians appreciated the aid they had received from the United States and Britain, but "they didn't think our aid has been enough."

He said the Russians think that a second front "is the kind of aid they are entitled to" and added: "The *second front* has become almost like a symbol to them."

The report heard in London on the Tirpitz was on the hunt again off Norway was the first word of the battleship since last July 9, when the Russians said one of their submarines scored two torpedo hits on her in Arctic waters where she lurked along the convoy route.

The great battleship is roughly comparable in size and guns to Britain's new *King George* class ships—at least two and possibly four of them ready for action—and the United States navy's Battleships *Washington and North Carolina*.

Germans Appear Desperate.

Observers in England said that the risk of the Tirpitz showed the Germans were calling upon every means at their disposal in an attempt to cut the allied sea route to Murmansk.

The German high command claimed only yesterday that their submarines and planes had sunk 38 merchant ships totaling 270,000

YOUNG AMERICAN GENERAL READY TO FLY WITH HIS MEN

By MURLIN SPENCER

GEN. MACARTHUR'S HEADQUARTERS, Auseralia, Sept. 21.—(AP)—A young American General aims at flying with his boys against the Japanese at least once a week and shows he means business by going on 11 raids in less than two months.

He is Brig. Gen. K. N. Walker, 44, of Washington, D. C., whose wife and two sons, aged 14 and 9, live in the United States capital.

"The boys in the north (of Australia) think the world of him," said the General's aide and pilot, Capt. Fred P. Dollenberg of Philadelphia.

"They figure things aren't so bad if a General's willing to go along and get shot at."

Carrying a bottle of oxygen, General Walker moves about a *plane as it flies on its mission* at a high altitude, Captain Dollenberg said.

"He climbs through the bomb bay and watches the rear gunner or the side gunners blast at Zeros and when we are over the target he watches the bombardier as he gets set to drop his bombs,' he went on.

"Wandering all over a plane like that isn't healthy, but the General figures he can't tell the boys how to go out and to get shot at unless he's willing to get shot at, too."

General Walker, one of the youngest Generals in the U. S. army air forces, was in the war plans division in Washington be-

ANTI-INFLATION BILL BEFORE SENATE WITH FOOD HIKE REPORT

FARMER HAS HAD BEST OF DEAL IN PAST YEAR WITH 85 PCT. INCREASE

WASHINGTON, Sept. 21.—(AP)—Senator Brown (D-Mich) told the senate today in opening debate on the anti-inflation bill that the cost of living might go up 5 per cent in the next year even though the most effective brakes possible were applied.

The opjective of the legislation is to give the president broad authority to stabilize wages, salaries and prices at the levels of Sept. 15, so far as possible.

This objective is not possible of full accomplishment, Brown said, in view of the nation's "pent-up purchasing power."

Brown, co-author of the senate bill, added:

"But from 3 to 5 per cent above the present level should be the limit at which prices could be permitted to rise."

The unprecedented bill went to the senate along with a commitee report that food prices had been climbing at the rate of 40 per cent a year since last spring.

Lending further urgency to the measure authorizing presidential control of the cost of living were these other findings by the senate banking committee:

Prices received by farmers had risen 85 per cent from August, 1939, to August, 1942, while the prices paid by the farmers had increased 22 per cent in the same period.

Since 1939 hourly wage rates in all manufacturing industries had advanced about 30 per cent and that the aggregate of wages and salaries paid out had risen 71 per cent.

Labor Costs Increase.

From January 1, 1941, to May, 1942, unit labor costs had increased at the average rate of 1.1 per cent per month.

"Unit labor costs will unquestionably increase still further, even apart from increases in wage rates, as a consequence of the loss of skilled workers, introduction of less skilled labor and inevitable transportation and other delays."

Control of wages and salaries "must proceed simultaneously with control of food cost."

See INFLATION, Page 5

DONALD NELSON IS SURE COUNTRY WILL SEE TOUGHER TIMES

KANSAS CITY, Sept. 21.—(AP)—Donald M. Nelson, chairman of the War Production Board, warning that the country must accept a "very much lower standard of living" in order to win the war, asserted today that "we have hardly begun to feel the pinch, so far."

"We are going to seel it very acutely before we are a year older," he said in an address for delivery at the National American Legion convention.

"It is my considered opinion that we are going to have to cut farther and more deeply into our civilian economy than even the British themselves have done yet—with the single exception of food.

"We are going to have enough to eat throughout this war, and we probably will not have to put any very drastic limitations on our range of choice in that regard, but in almost every other respect we are going to have to be ready to do without—and do without—and do without until this war has been won."

Nelson explained that the country hadn't yet felt the pinch of

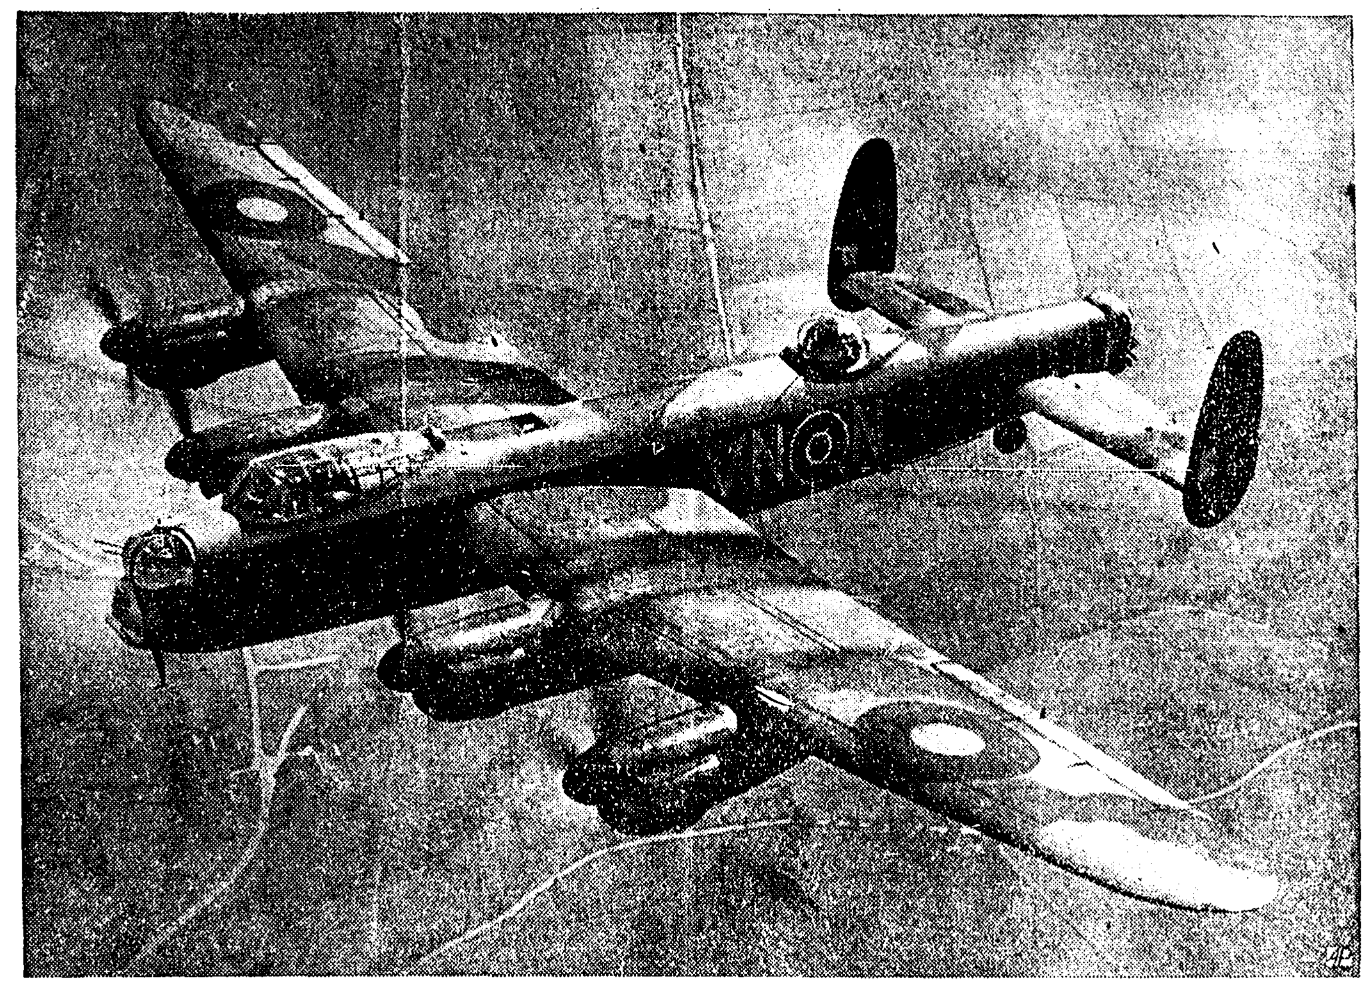
MRS. J. M. V. WILLS DIED EARLY SUNDAY; BURIAL ON MONDAY

Mrs. J. M. V. Wills, resident of Corsicana for a half century, died at the family home, 211 South Fifteenth street, Sunday morning after only a few hours illness. A native of Mississippi, Mrs. Wills was the widow of the late Dr. J. M. V Wills, well-known Corsicana resident. Mrs. Wills was a lifelong member of the Methodist church.

Surviving are two sons, Dr. Opie Wills, Corsicana; and Allister Wills, Illinois; four daughters, Mrs C. S. Stroud, Corsicana; Mrs. Dubart Miller, Corsicana; Mrs. Wil Hilliard, Hobbs, N. M.; and Mrs. George Lord, New York City; two sisters, Miss Tommie Lacy, Corsicana, and Mrs. Mrs. Lee Neblett, Waco; a brother, Glenn Lacy, Mississippi, six grandchildren and three great-grandchildren.

The funeral rites were held from the Sutherland-McCammon Chapel at 3 o'clock Monday afternoon with burial in Oakwood cemetery. The rites were conducted by Dr. P. E. Riley, pastor of the First Methodist church.

Pallbearers were Roger Neblett, Dr Dubart Miller, C. S. Stroud, W P. McCammon, Wilmot Townsend, Robert Davidson and Chas. H. Allen.



BRITAIN'S FAMED LANCASTER BOMBER—Many squadrons of the RAF are now equipped with four-engined Lancaster bombers such as this one. The British call the Lancaster the backbone of the RAF striking force. These bombers were used in the smashing attacks on Munich Saturday night.

NEBRASKANS GATHER SCRAP WITH GREAT, UNSELFISH DEVOTION

AMERICAN NEWSPAPERS SEEKING GET ENTIRE NATION DO LIKEWISE

By The Associated Press

Today it becomes your turn to go on with this story written by men, women and children of Nebraska.

They did it with sweat and energy, with their hearts in it.

The Nebraskans gathered scrap for the nation's steel mills whose war production has fallen off for lack of it. They did it with such unselfish devotion that newspapermen who worked with them choke with emotion when they try to tell of it.

American newspapers, inspired by what happened in Nebraska and at the request of war production board chief Donald M. Nelson, who is worried by the dangerously low rate of scrap recovery, today undertook a nationwide drive to speed collection.

Newspapers throughout the country have pledged their help in rousing their communities to a national, co-operative effort in digging through homes, plants and farms for the old metal so vital to the *production of tanks, guns, planes* and ships.

This intensified drive began in some sections at dawn today but officially starts Sept 28 and continues till Oct. 17.

If you think your help is unneeded, listen:

America's steel mills can turn out 90 million tons of steel. This year they will have turned out only 85 million tons. The reason: Lack of scrap to produce at capacity.

The mills are gobbling scrap metal at the rate of 4 million tons a month. Ordinarily they would have 6 weeks supply of scrap on hand. But they have now hardly more than 2 weeks' supply.

The government wants 17 million tons of scrap collected between now and January 1, when war production reaches its peak and scrap piles are vital.

Gather 68,000 Tons.

The Nebraskans scoured their state by counties, cities, towns, villages, farms. In three weeks, bringing in everything from hairpins found in a dead bird's nest to old

Texans Tasted First Breath of Winter Sunday

By The Associated Press

Texans did a quick change from flimsy summer garments to heavy woolen clothing yesterday as a premature cold wave caused temperatures to drop.

The sudden chill extended as far south as Laredo, where the thermometer registered a minimum of 66, in contrast with a maximum of 92 Saturday.

At Fort Worth the mercury dropped to 57 degrees; Dallas had a low of 59.

Clarendon, Donley county, reported 39 degrees; Amarillo 40; Wichita Falls, 49; Abilene, 53, and Austin, 55.

Five Killed, Six Injured in Crash Of Army Bomber

BOISE, Idaho, Sept. 21.—(AP)—Lives of five army airmen were snuffed out last midnight when a heavy bomber caught fire in midair, then glided to a crash landing on the Gowen air base Runwan.

Six others were injured, one critically.

Captain E. L. Davis, public relatians officer, said the ship burst into flames while approaching the field at an altitude of 800 feet. It struck the runway, lost momentum gradually, then nosed against a parked bomber and was destroyed.

At least one of the victims was a member of the ground crew caught in the flaming wreckage.

"It looked like an enormous comet streaking through the sky," said Charles Alderson, manager of a Boise theater, who was motoring near the air base.

Davis said names of the victims would be released after next of kin were notified.

Report Canadian Destroyer Ottawa Has Been Sunk

OTTAWA, Sept. 21.—(AP)—The Canadian destroyer Ottawa has been torpedoed and sunk with her *commander*, four other officers and 107 men missing and believed killed, Navy Minister Angus MacDonald announced today.

The Ottawa was commanded by Lieut. Commander Clark Anderson Rutherford.

Her loss was the *third announced* within a week. The sinking of the patrol ship Racoon with the loss of all 38 hands was disclosed by the Navy ministry on Sept. 14 and the Corvette Charlottetown four days later.

NEW MODEL GERMAN WARPLANES APPEAR PAST SEVERAL WEEKS

AGAIN ALLIED EXPERTS APPARENTLY WRONG ON ABILITY OF NAZIS

By WES GALLAGHER

LONDON, Sept. 21.—(AP)—Qualified British observers said today that the appearance of four new German high-performance warplanes on the world's battlefronts in the past few weeks indicated that Reichsmarshall Goering had achieved a major retooling "swap over" in the German aircraft industry.

They said the use of the new model fighters and bombers in battle showed that they were in mass production despite the opinions expressed by some air experts that the Germans would be unable to make major changes in models during the heat of the Russian campaign.

The latest German fighter was reported by the Russians yesterday to have made its appearance in action on the Russian front. It is the Messerschmitt 109-G, described as a high altitude, partly armored plane with a liquid-cooled 1,700 horsepower engine.

It has been confirmed officially that the Germans have used a new Heinkel 177 four-motored, two-propellered heavy bomber over Britain recently.

Unofficial sources have reported the appearance, also, of a pressure-cabined Junkers 86-P bomber reconnaissance plane with a ceiling above 40,000 feet.

Regarded as a sigrificant feature common to the JU-86-P, the new FW-190 and the ME-109-G was the fact that they all were reported capable of operating above 35,000 feet—out of anti-aircraft range.

INDICATION OF FINLAND THAT PEACE AND SECURITY WOULD BE WELCOMED NEW DEVELOPMENT

By DEWITT MACKENZIE
Wide World War Analyst.

The Finnish minister to Washington, Hjalmar J. Procope, has dropped a bomb big enough to reverberate in many capitals, both axis and allied, in his announcement that "Finland wants to cease fighting as soon as the threat to her existence has been averted and guarantees secured for her lasting security."

If we label this extraordinary move as a fishing expedition for a peace offer, we probably shall encounter an official denial from Helsinki. Still, that's exactly what it looks like—a trial peace balloon. Between the lines there seems to lurk the hope that *Uncle Sam* will overlook that Finland is an ally of the Hitler he has sworn to crush, and will persuade the Russians to make some proposal.

It might seem that it didn't matter a great deal whether tiny Finland waged war or not. But the sturdy land of lakes is a mighty atom in the conflict. The safety of Russia's whole right flank from Leningrad to the Arctic is involved.

Peace would be calculated to relieve the pressure on the Red lifeline port of Murmansk, which the Nazis are attacking from Finnish soil, and the *railroad* which runs southward. It would ease the whole situation in the Gulf of Finland around the long beleaguered city of Leningrad and the great Red naval base of Kronstadt.

It's likely, too, that Finnish peace would help the *allies meet* the nazi menace to the vital shipping through the Arctic Ocean to *Murmansk*. That's a big item, for the Germans are making that a tough route. Only today Berlin claims jubilantly the sinking of 38 merchantmen and the destruction or damaging of six warships (a claim not confirmed in any allied *quarters*). At the same time London announces that the nazi super battleship Tirpitz is rpeorted to have been repaired and be on the prowl again along the Arctic route.

Of course, we can't say in advance whether the *Nazis might not* be able to circumvent peace in some manner, since they have troops in Finland. However, a passive or unwilling country would

See THE WAR TODAY, Page 4

Munich, Home of Nazi Party, Was Severely Bombed

LONDON, Sept. 21.—(AP)—Broad sections of Munich, birthplace of the nazi party and site of *important German war industries*, lay devastated today under the weight of a smashing RAF attack which returning pilots said touched off fires so vast they could be seen 100 miles away.

Details of the assault were unfolded last night after the air ministry had analyzed reports of bomber crews who winged their *way homeward after dawn yesterday* from the daring 1,300-mile round-trip foray—the 11th night raid on Germany this month.

The attack on Munich was accompanied by another raid on the oft-bombed Saar industrial region in Western Germany.

The British reported the loss of 10 planes during the night.

The Rome radio said British planes also were active over Italian territory during Saturday night, bombing several localities in Sicily.

No German activity was reported over Britain last night, but two German raiders dived out of clouds this morning and dropped high explosive bombs on a residential area in a southeast coast town, British reports to London said.

WILLKIE IN MOSCOW AND HOPES FOR TALK WITH JOSEPH STALIN

MOSCOW, Sept. 21.—(AP)—Wendell L. Willkie said today he hoped to have a long, straightforward and frank talk with Joseph Stalin because "I understand he is a man who likes frankness and I like *frankness too*."

Willkie arrived here yesterday and rose at 6 a. m. today, spending his first morning in the Soviet capital walking the streets before breakfast.

Arfter breakfast he saw Red Square for the first time, walked around the Kremlin and talked with British Ambassador Sir Archibald Clark Kerr.

He had an appointment later in thet day with Vycheslaff Molotov, Soviet foreign commissar.

Before coming here Willkie toured Russian factories and collective farms. He declared he had been asked *some 50 times about* a second front and said: "I want to check a lot of things here."

Willkie said he planned to deliver to Premier Joseph Stalin a written message from President Roosevelt and that he already had asked to visit the front.

He said he thought the "front down in Stalingrad is just as much *an American and British front* as it is Russian."

President Roosevelt's special representative said he had failed to find any letdown in spirits or the war effort in Russia.

He said the Russians appreciated the aid they have received from the United States and Great Britain "but they didn't think our aid has been enough."

Noting how often he had been asked about a second front, Willkie said: "They think that is the kind of aid they are entitled to. The second front has become almost a symbol to them."

LEGION CALLS FOR LOWERING DRAFT AGE TO EIGHTEEN YEARS

WOULD ALSO HAVE MANPOWER CONSCRIPTED FOR WAR PRODUCTION

KANSAS CITY, Sept. 21.—(AP)—Roane Waring of Memphis was elected national commander of the American Legion today by an unamious vote after delegates from every state had stormed on to the stage with their banners in his behalf.

KANSAS CITY, Sept. 21.—(AP)—The American Legion asked congress today to lower the draft age to 18 years and to conscript manpower for war production.

By an overwhelming standing vote the Legionnaires at the closing session of their three-day convention, passed the resolution offered by the National Defense committee, headed by Warren H. Atherton, Stockton, Calif.

The Legion also urged congress to pass legislation calling for compulsory military training after the war in which every youth would be *required to have at least one year* of training before he reaches the age of 22.

A demand also was voiced for a navy large enough to meet any contingency that might arise in a world war.

Supplementing its appeal for a national service conscripting manpower for war production, the Legion reiterated a demand for it's long sponsored universal service act, calling for the drafting of all resources of the nation, including capital, labor, industry and agriculture as well as the fighting manpower.

KANSAS CITY, Sept. 21.—(AP)—The American Legion today called upon Congress to enact a national service law for the conscription of manpower wherever needed for war production.

The action was taken on the floor of the national convention after it had been proposed in a resolution

NEW OIL PRORATION ORDER FOR OCTOBER WAS ISSUED MONDAY

SLIGHTLY INCREASED ALLOWABLE OVER SEPTEMBER; ALSO ABOVE OPC

AUSTIN, Sept. 21.—(AP)—The Texas railroad commission today issued a statewide oil proration order for October, authorizing daily average crude production of 1,455,261 barrels.

Signed by Commissioner Beauford Jester, Olin Culberson and Ernest O. Thompson, the allowabls compared with an Office of Petroleum Co-ordinator recommendation of 1,407,600 barrels.

With distillates and condensates considered, the Texas allowable almost exactly hits the OPC recommendation.

The daily average allowable for the state on Sept. 9—the last available figure—was 1,437,619 barrels, a difference from the October allowable of 17,642 barrels.

Allowables by districts were:
No. 1—20,862.
No. 2—100,088.
No. 3—296,097.
No. 4—101,819.
No. 5—19,228.
No. 6—77,279.
East Texas—364,551.
7-B—27,887
7-C—19,195.
8—200,633.
9—134,779.
10—93,053.

Nine shutdown days were decreed for Oct. 3, 4, 10, 11, 17, 18 24, 25 *and 31, except for specified* fields in Districts 2, 3, 4 and 9.

Shutdown Days.

The commission specified Oct. 3, 4, 10 and 11 as shutdown days for the Lolita and West Ranch fields in District 2. Lovell's Lake, *Amelia, Sugarland, Clear Lake*

WASHINGTON—United States ship torpedoed in north Atlantic.

SOVIET DEFENDERS CONTINUE TO HOLD AND GAINED GROUND

BLOODY STRUGGLE FOR VOLGA CITY INCREASING BY HOUR

By HENRY C. CASSIDY

MOSCOW, Sept. 21.—(AP)—Thwarted in their efforts to take Stalingrad by storm, the Germans began a mighty bombardment with heavy long-range guns that shook the city from end to end today, but still the Soviet defenders held and even gained ground at some points in hand-to-hand street fighting, the Russians announced.

Shells screaming into the city tore gaping craters in streets and squares and the thunder of the cannonading all but drowned out the clatter of machine guns, rifles and mortars manned by opposing forces locked in close quarter fighting in the suburbs, Pravda reported in a Stalingrad dispatch.

The bloody struggle increased in ferocity by the hour and Pravda said German dead were piling high in the streets, with the frantic Nazis not even taking time to remove their seriously wounded from the battlefield.

In the northwestern suburbs, locale of the heaviest fighting, the Russians and Germans were fighting it out house by house with the Soviet forces putting up the same valiant resistance that saved Moscow and Leningrad.

Nazis Hurl In New Divisions.

But despite frightful losses in dead the Germans hurled new divisions of tanks, armored cars and *infantry and swarms of planes* into the battle.

In the haze of smoke from flaming buildings and bursting shells and bombs the Germans were "at times able to advance," Pravda reported, but only a matter of *yards and at a frightful price in* blood.

The countryside around Stalingrad was littered with piles of scrap metal which once were German tanks, trucks and cannon, the newspaper said.

On other fronts, Soviet dispatches sketched this situation:

Mozdok, in Deep Caucasus—The Russians repelled several attacks and took some prisoners.

On the Black Sea coast south-east of Novorossisk The Nazis made no progress against the Russians holding the shore road and skirting heights to the Caucasus valley, where the Soviet's greatest oil fields and refineries are located.

In Voronezh Sector.

North and South of Voronezh—The Russians continued to attack furiously, slaying 3,000 Germans in three days, 950 of them in one battle. The Germans attacked six times in one place and failed to advance.

On the Volkhov front southeast of Leningrad—The Russians broke into a heavily fortified forest in the Sinyavino district, after an attack from the south and northwest in which they blew up an ammunition dump and captured *prisoners and trophies*.

At Stalingrad the Russians were battling for the 28th day against German masses which had breached the northwestern ramparts several days ago.

They even recaptured some of the lost streets, according to advices to Moscow, but the Germans were moving in new reserves, and were making some slight progress elsewhere, yard by yard.

See RUSSIAN, Page 5

PLENTIFUL SUPPLY OF FOOD IN SIGHT IF MANPOWER THERE

By FRANKLIN MULLIN

CHICAGO, Sept 21—(AP)—A plentiful supply of food is in sight for *next year*, if enough man and horse power is available to keep the farms running.

Statistics compiled by the grain trade show that the nation's physical farm plant is prepared for the task.

Demands of the armed services for men and rationing of farm machinery, manufacture of which has been sharply curtailed, have made the situation acute. Farm leaders, especially in the agricultural Middle West, have appealed for deferment of farm labor and particularly farm operators.

Production in 1942 was 9 per cent greater than in 1941 whereas only a 6 per cent increase had been sought under goals adopted right after Pearl Harbor. These can be duplicated or exceeded, the statistics indicate, providing there is sufficient man and horse power.

The outlook from the standpoint of soil condition, feed and seed supplies was never brighter, records showed. Production of feed this year, the basis for estimates on the output of meat, milk and eggs in 1943, was of record proportions. These supplies will nourish and fatten the greatest population of livestock ever on farms. Despite heavy slaughter to satisfy wartime meat requirements, the January 1 census of farm meat animals is expected to be about 13 per cent greater than *last year*. A *corresponding* increase in feed production was achieved this season.

CORSICANA, TEX., SEPT. 22, 1942

DECIVILIZATION

The worst thing about Hitlerism is the way it decivilizes the world. Nazism is more than mere conquest. There is no place in it even for such civilization as Napoleon represented when, after his conquest of western Europe, he introduced many enlightened measures.

Hitler apparently is not interested at all in political or social reform, in the progress of learning, the advancement of science, the peaceful unity of nations, the development of the human spirit. He represents mere barbaric conquest, apparently as purposeless and deadly as that of his savage ancestors who, spreading southward in successive waves, destroyed Roman civilization and plunged the world into darkness that lasted for many centuries. The weapon and methods differ, but the general purpose and effect seem to be the same.

Added to this crazy destructiveness is cruelty such as was never seen before in modern Europe. Winston Churchill, civilized head of of civilized government and nation handled this theme adequately in a recent speech, saying:

"The cruelties, the massacre of hostages and the brutal persecutions in which Germans have indulged in every land into which their arms has broken, have recently received an addition in the most bestial and most senseless of their offenses, namely the mass deportation of Jews from France, with the pitiful horrors attendant upon the calculated and final scattering of families. This tragedy fills one with astonishment as well as indignation, and illustrates as nothing else can do the utter degradation of the Nazi nature, and the degradation of all who lend themselves to these unnatural and perveted passions."

Where are the voices in Germany that should be raised against such barbarism, regardless of the protestants' own safety? Are there no statesmen there, no outraged citizens, to strike for decency and civilization, even at the cost of martyrdom?

ANY JUNK TODAY?

There are millions of tons of old iron and other useful scrap still uncollected, in spite of all the effort. Everybody is willing to contribute when the matter is brought to his attention, but persistent work is necessary. The Junior Commandos are doing a grand job in many areas, benevolently pestering everybody and rounding up immense quantities of material previously overlooked. Any new method or incentive along this line is so much to the good.

Maybe some old methods would be useful, too. Oldtimers will remember the men who used to drive patiently around town with bony horse and rickety wagon, calling lustily for bones, rags and iron. The bones and rags are generaly handed now in other ways, but something must be done along that line in the iron quest. Suppose every city were to send volunteer trucks around to patrol every street, with some such call as "Iron for the War! Iron for the War! Any iron, any brass, any junk today?" The result might be surprising.

Edgar A. Guest

The Poet of the People

RAINY DAY.

That gentle, quiet sort of rain,
Which sometimes last the day
Taps at my roof and window pane
In such a friendly way.

And tired and worn by constant sun
And earth burned hard and brown,
'Tis good to see the rivers run
The gutters of the town.

'Tis good to see the gardens small
Turn blithe once more and gay
Sweeps ugliness away.
As many a tiny waterfall

So, sensing all things fair renewed
In such a simple way,
I thank the Lord in gratitude
Who sends a rainy day.

CHRISTMAS FOR SOLDIERS

It seems early to think of Christmas shopping, but it's none too early to get presents off for soldiers overseas. It takes a long time for packages to reach Australia and China. It's several weeks journey to Alaska and Egypt. Some of the ships for South America and the British Isles are pretty slow. There are Americans in Russia, too, and in India and on the Solomon Islands. The shopping must be done swiftly now, if the boys are to have their Christmas gifts.

What do they want? A survey made by the Department Store Economist asked 1,000 service men and came out with this list: Waterproof wrist watches, cigarets, wallets, cigaret lighters, pen-and-pencil sets, sewing kits and overnight bags.

Writing portfolios are popular. the boys like new books, if the giver is not sentimental as to what becomes of them after the recipient has read them. He passes them around to friends in camp; and when he's sent overseas, often enough they end up in the library of the service club. Magazine subscriptions are good, too, for boys in camp. A subscription to the daily home town paper is tops.

LAW AND PRECENDENT

When it comes to calling names at Washington, and talking of "dictatorship" and "destroying the Constitution," critics get into deep waters. Their accusations often seem well-founded until a worried citizen himself starts digging into the record and precedents.

The War Between the States is illuminating and jolting in this respect. The delver may find, to his horror, that Abraham Lincoln often seemed to ignore the Constitution and make up his own as he went along, from one crisis to another. Some of his most acclaimed acts, such as the declaration by which he freed the slaves, seem to have had no constitutional warrant. They were done, and justified, as war measures. Thomas Jefferson, it was argued by legal authorities in his time, had not constitutional right to make the great Louisiana Purchase of western territory. Andrew Jackson often seemed a law unto himself.

FROM A TRAINING CAMP

A veteran Cleveland newspaper man, Philip W. Porter, entering army service for the duration, writes a valedictory closing with the following statement. It is reprinted here not because it is unusual, but for the opposite reason. It represents the attitude of large numbers of newspaper men in the same situation.

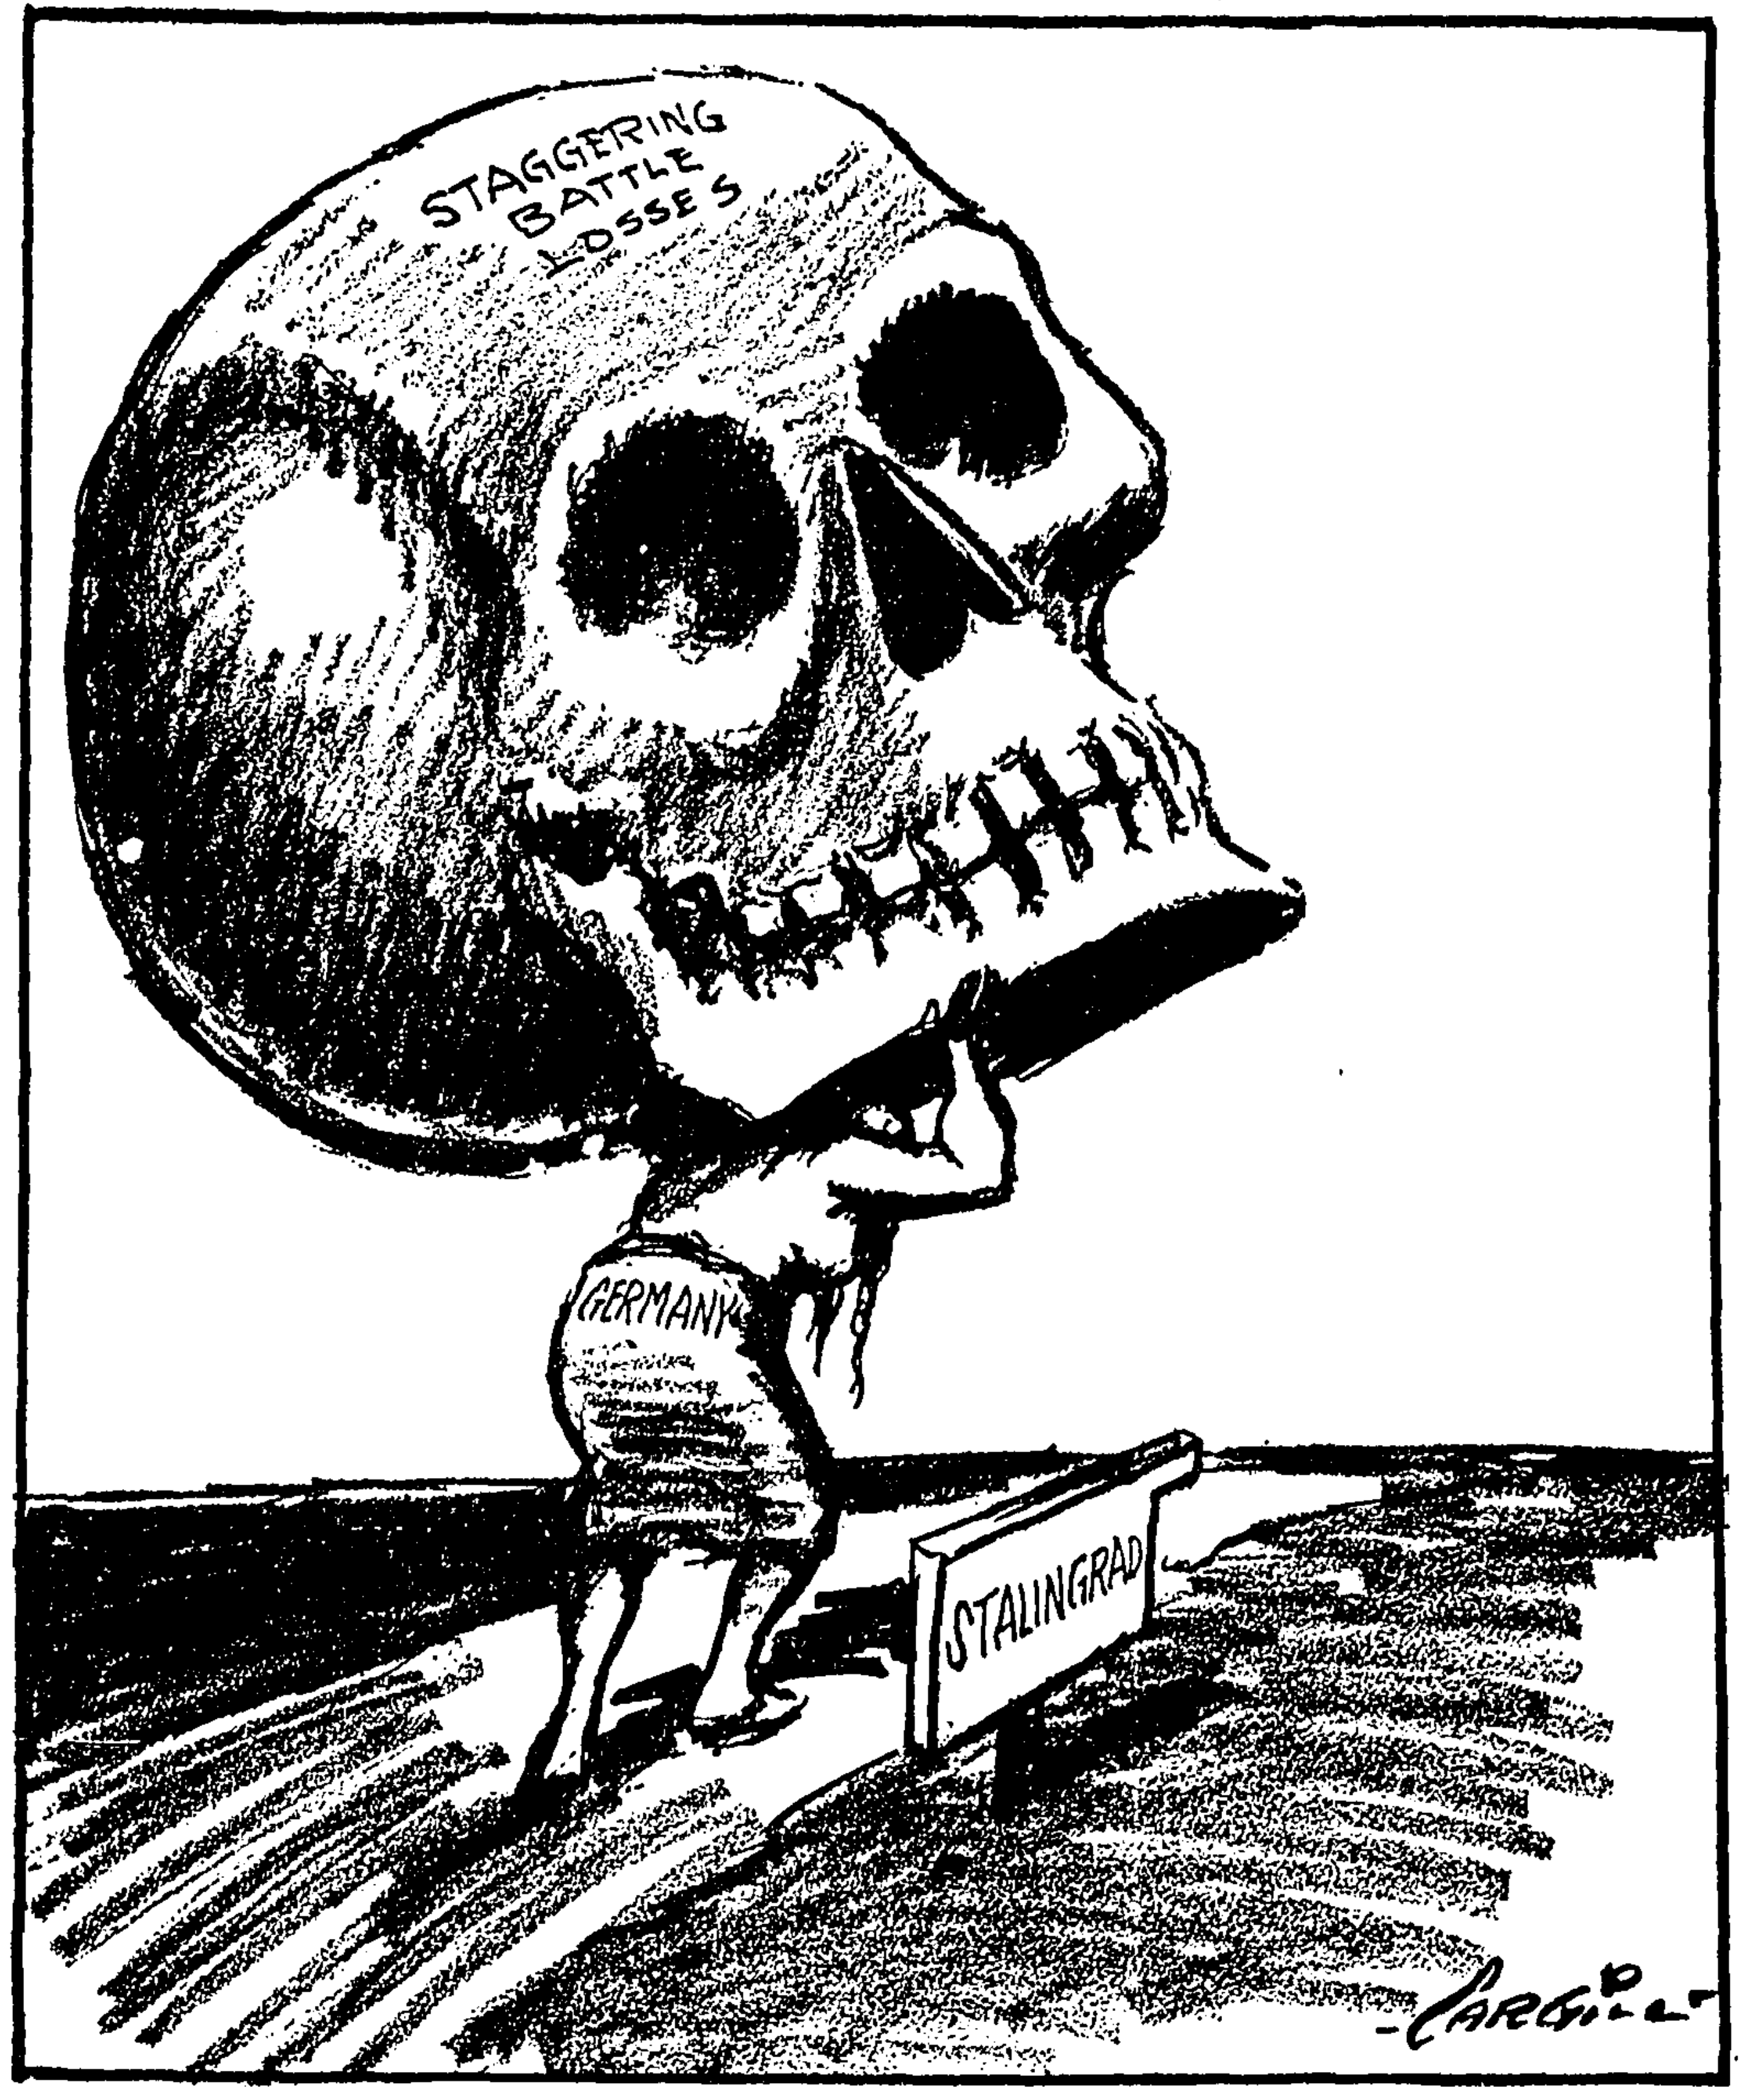
"This is a war of survival, and it is going to sear every one of us. On the whole, we have been reluctant to face the hard facts.

"The principal fact is that this country cannot exist at all as it was and is today, unless both Germany and Japan are obliterated as nations. We cannot have liberty and prosperity and fair play alongside of nations which teach their citizens that brute force is right, a ruling caste is supreme, and treachery in international affairs is admirable. Either we win, at great cost, and have the right to live our own lives, or we lose at greater cost and become slaves.

"To accomplish this victory, everything in civil life must be subordinated to the building, training and financing of a vast army and navy, which will defeat this gangster form of life.

"For myself, I'd like to see a cessation of petty criticism of the President, immediate drafting of war workers who went on strike, and a swift kick in the pants for anyone who sneered at our allies or complained about some petty privation. It's time we grew up and really went to war."

"SHE STOOPS TO CONQUER"



CRIPPLED CHILDREN IN NAVARRO COUNTY RECEIVE TREATMENT

During the past two weeks, Mrs. H. G. Brown has been unusually busy, administering to the needs of Navarro County children. On September 9th, Arthur Lee Baily was taken to the Freeman Clinic in Dallas for treatment. David Crowley was taken to the same clinic for examination, and Bobbie Dye was admitted to the Scottish Rite Hospital.

On Sunday, September 13th, Mrs. Brown took a young patient to the Children's Hospital in Dallas for a blood transfusion. She was accompanied by the father and several friends of the family.

Learning to Walk.

On the 15th, John Mack Burkhart was taken to the Carrell-Girard Clinic in Dallas for a check-up, preparatory to his entrance in one of the local schools. He is being taught to walk again. Mrs. Brown accompanied J. E. Carrey to Baylor Hospital for examination, and placed Willie Martin, young colored boy, in Bradford Hospital for treatment.

On September 16th, Quitman Whitworth was taken to the Scottish Rite Hospital for examination. David Crowley and Arthur Lee Bailey were taken back to the Freeman Clinic for further treatment.

The Corsicana friends of young Billie Bunch, youthful victim of infantile paralysis, will be interested in knowing that he is responding to treatment at the Scottish Rite Hospital, where he is now a patient. Mrs. Brown hopes to bring him home in a few weeks.

Calling For Braces.

Mrs. Brown is making an urgent plea for discarded braces that may be used for unfortunate children. It is impossible to secure braces at the present time, and Mrs. Brown states that mothers whose children are now able to discard braces will be doing a good deed by getting in touch with her at once, in order that they may be passed on to other children now needing them.

Dawson Schools to Open Next Thursday

DAWSON, Sept. 18.—The Dawson schools will open Thursday, Sept. 24.

The faculty includes Ray L. Waller, superintendent; G. T. Gooch, principal; Mrs. Corinne Beasley, Miss Eula Lockwood, Mrs. N. A. Woychuk, Miss Reba Williams, Mrs. G. T. Gooch, Mrs. Henry Price, Miss Moizelle Hammons, Miss Lula Hickabe, and W. J. Moore. Two vacancies still exist in the faculty.

Kerens Navy Man is Missing in Action

One Navarro county resident was among the fifty-two Texans listed as casualties in a Navy Department list released Thursday and covering a period from Aug. 31 to Sept. 6, inclusive. There were 16 Texans listed at dead, 18 wounded and eighteen missing.

Mess Attendant (first class) Robert Porter Mangum, father, Eldridge Mangum, Kerens, was one of those missing.

Goings and Comings Of Fairfield Folk

FAIRFIELD, Sept. 19.—(Spl.)—Mrs. Emma Hill and Mrs. Richard Hill and son were Palestine visitors Thursday.

Mrs. Roger Young, Jr., and Mrs. Don Findley visited in Mexia Tuesday.

Mrs. Carl Heath and son of Houston are visiting her parents, Mr. and Mrs. J. H. Eubank.

Mr. and Mrs. Buddy Allen and son, Don, visited in Mabank Sunday.

Henry Jurew left Sunday for Austin where he will attend Texas University.

Mrs. Doris Ford spent the week end in the home of Mr. and Mrs. George Ford, Sr., at Wichita Falls.

Mr. and Mrs. Lester Daniel and children spent the week end in Waco.

Miss Etta Belle Owens returned home Sunday after a week's visit in San Antonio.

J. H. Harding and Shorty Manahan of Austin spent the week end here.

Mrs. C. V. Linnenberg and Johnnie Beth and Mrs. E. H. Newman and Francine visited Mrs. Claud Harper in Belton over the week end.

Mrs. E. J. Gilbert, Mrs. Alton Parker and Mrs. Jim Young, Jr., spent Monday in Dallas.

Mr. and Mrs. Leslie McGuyer of Waco are visiting relatives here.

Misses Rubye Faye Hill and Thelma Chowning of Dallas spent the week end here.

Mr. and Mrs. Dane Jaffe and daughter, Doris, of Houston visited Mr. and Mrs. E. F. Oliver the past week end.

Mrs. L. O. Lanier and son, Billy, of Houston visited her mather, Mrs. E. J. Gilbert here over the wee kend.

Clark Shields, Mrs. Boyd Loper and son, Clark, spent Tuesday in Dallas.

Joe N. Parker of Rosadena spent the week-end here.

Mr. and Mrs. Earl Blystone and Miss Mattie Clubb visited in Wichita Falls over the week end.

Mrs. J. W. Shaw of Los Angeles, Calif., is visiting her mother, Mrs. L. Harrison.

Mrs. George Brown of Austin is visiting her parents, Mr. and Mrs. Bowlen Bond.

Bobby Richards, who recently volunteered in the naval air corps left Monday for Fort Worth to begin training.

Mrs. Travis Stripling is spending the week end with relatives in Tyler.

C. L. Williamson attended a meeting of the Texas State Employment Service at Waco Sunday.

Miss Evelyn Fryer left Monday for Huntsville to begin her duties as teacher in the Huntsville High school.

Mr. and Mrs. Frank Gibbs and family, and Mr. and Mrs. J. C Lewis and son, of Newton, Miss., visited Joe Matthews and family recently.

Mr. and Mrs. Frank Aultman and son, Buddy, visited in Palestine Tuesday.

Mrs. Homer McAdams and daughter, Tommie Ann, Mrs. P. S. McIlveen, Mrs. Mildred Reed and Miss Lorraine Goodman visited Mrs. A. A. Holmes at Donie Sunday.

Corsicana Soldier Is Made Corporal

FORT GEORGE WRIGHT, Wash., Sept. 16.—Private First Class Bubbie B. McKay, who is stationed at Ft. George Wright, Wash., has been promoted to the rank of Corporal.

Corporal McKey was drafted in the U. S. Army Feb. 10, 1942, and is the son of Mr. and Mrs. J. B. McKey, Route 3, Corsicana.

Rev. R. W. Nation Named Supply Pastor

Rev. R. W. Nation has been appointed supply pastor on the Black Hills Methodist circuit until annual conference, it has been announced by Rev. R. O. Sory, district superintendent.

Rev. Edwin Ray, who has been pastor of the circuit, has been transferred to Florence, near Georgetown in order that he might attend Southwestern University and at the same time continue his duties as pastor.

Pioneer Kerens Woman Was Buried There On Thursday

KERENS, Sept. 19.—(Spl.)—Relatives, neighbors and a host of friends gathered at the Barlow home Thursday, Sept. 18th, at 5 p.m. to pay their last respects to another of Kerens beloved pioneer women, Mrs. C. P. (Eula) Barlow.

Ill for some months, the last weeks of which were wracked with pain, the uncomplaining, gallant fortitude of this beautiful character impresed acquantances, as she persisted in considering the welfare of her children and minimizing her own suffering up to the last.

No greater eulogy could be written than that expresed by a young man from Kerens, as he introduced Mrs. Barlow some time ago, as his idea of a typical grandmother, the sort which inspires artists; and lovely she was both in figure and character.

Married at a very early age, she came to Kerens with Mr. Barlow when the city was young, and built and had lived in the present residence for more than 50 years.

Surviving children are: Mrs. J. W. Richardson, Austin; Hugh Barlow, Kerens; Mrs. Chappel, Pittsburgh; Hayden Barlow, Houston; Mrs. Harry Bason, Port Arthur. Surviving also are eight grandchildren and two great-grandchildren.

Funeral services were conducted by Rev. Joe N. Everheart of Clarksville, former pastor of the Kerens Presbyterian church, assisted by Rev. Finis L. Hodges, present pastor.

Interment was in the Kerens cemetery, with arrangements in charge of the P. N. Stockton Funeral Home.

Pallbearers were E. L. McCluney, Cliff Coates, E. B. Speed, W. L. Bain, H. A. Quaite, L. H. Holt, Josh Speed and R. P. Walker.

Among the many from out of town here for services were Billy Martin, Hillsboro; Mrs. Joe Bond, Mr. and Mrs. J. N. Carswell, Miss Elizabeth Voss, Dallas; Mrs. J. N. Everheart, Clarksville; Mrs. Cub Dillard and daughter, Patsy, Austin; Mrs. Ila Barlow, Palestine.

R. J. Paschal Family Enjoying Reunion

The R. J. Paschal family has been enjoying a reunion the last several days, with father, soldier son and daughter home for visits. The family home is at 1416 West Tenth avenue.

Billy Jack Paschal, stationed at Patterson Field, Fairfield, Ohio, volunteered for duty in the U. S. Army Air Corps on Dec. 21, 1941, and while on furlough home this week was notified that he had been promoted from corporal to sergeant. He is spending a seven-day furlough here with his wife and parents and will report for duty next Wednesday.

R. J. Paschal, who is now employed in Centralia, Ill., has been home for a few days and will return to his duties on Sunday. Mrs. Avery Jackson, daughter of Mr. and Mrs. Paschal, and little daughter, Carol Lynn, are here from Houston for a visit also.

Several Changes in Welfare Department

Several changes in personnel in the Department of Public Welfare here have been made.

Miss Bertha Ellis is the new field worker in Navarro county.

Miss Florence Gill, former WPA worker in Corsicana, is the new field worker in Limestone county, according to George F. Harper, Corsicana, area supervisor, Department of Public Welfare.

Rev. M. W. Bergeson Promoted.

Rev. M. W. Bergeson, chaplain at the State Home here for seven years, has been promoted to assistant post chaplain at Fort Jackson, South Carolina, relatives and friends here have been advised. Rev. Mr. Bergeson has been in the army only a few months

Sick and Convalescent.

A son was born to Mr. and Mrs. Odett Russell at the P. and S. Hospital Sturdy morning.

DISTRICT WILL BE DIVIDED ACCORDING TO ENROLLMENTS

SCHEDULES AND WARTIME PROBLEMS CAME IN FOR MUCH DISCUSSION

Completion of schedules and discussion of wartime problems highlighted an executive committee meeting of District 21-B Thursday night at the YMCA. Ray. L. Waller of Dawson, chairman, pesided.

The district was again divided into two brackets as has been the custom for the past two years. Based on enrollment, the upper-bracket is composed of schools have the larger number of scholastics and the lower-bracket includes the schools with the smaller enrolments.

Upper Bracket

Placed in the upper bracket were Italy, Blooming Grove, Kerens, Frost, and Hubbard. Lower bracket representatives are Trinidad, Dawson, Milford, and Mildred.

It was announced that the eight semester and nineteen-year-old rule would remain in effect this year. This rule grants eligibility to all high school youths falling within the eight semester category and under 19 years of age on the First of September.

All schools are continuing with their competitive athletic program this year despite hardships imposed by war. A canvass of possible football officials for the coming season revealed a serious shortage in this division. Many of the schools are having difficulty securing coaches and in practically all instances the coaching duties are being assumed by the high school principals.

Non-School Assistants

To aleviate this condition and conform with interscholastic rules, the commitee passed a resolution granting permission to these schools to secure a coaching assistant not necessarily connected with the school system but restricting the technical supervision of the team to a member of the faculty. The latter must be present at all games and decided any controversy that might arise during the playing of the game. He is, in effect, in active charge of all the team's activities. It was further pointed out that this emergency measure would be immediately discarded after the war.

Several of the teams are scheduled to open their seasons today.

School officials and coaches attending the meeting included L. L. Wilkes, Hubbard; J. R. Yeager, Trinidad; H. L. McAninich, Trinidad; W. V. Harrison, Frost; G. H. Wilemon, Kerens; Joe G. Walton, Blooming Grove; H. A. Garland, Mildred; Ray L. Waller, Dawson; Gaston T. Gooch, Dawson; T. M. Kelsey, Milford; and E. L. Eskridge, Milford.

Mrs. C. H. Carter Gets Letter From Husband Now German Prisoner

Mrs. C. H. Carter has received a letter from her husband, Charles Harold Carter, USN, who is a prisoner of war in Marlag und Milog Nord, Germany. Carter is a survivor of a U. S. ship sunk last May. The letter which was the first communication received from Carter since April 30, states that he is in good health and getting along fine. He is allowed all the mail he can get, but expects this to be stopped soon because the British are to be limited on the amount of mail they can receive and they expect the American mail will be rationed too.

The letter stated that he had received some clothing from the Red Cross and also a general parcel each week in addition to his regular German ration. The letter indicated he had written before but this is the first time Mrs. Carter had received one direct from her husband. She received a letter from the same camp in which her husband is located, from a British lieutenant asking for candy and cigarettes.

Legion Auxiliary Of Kerens List Officers

KERENS, Sept. 19.—(Spl.)—The American Legion Auxiliary has announced the following roster of officers who were approved at the September meeting:

President, Mrs. D. B. Bennett; first vice president, Mrs. Zella Graves; second vice president, Mrs. E. H. Gray; secretary-treasurer, Mrs. R. D. Mabry; chaplian, Mrs. Grover Crawford; historian, Mrs. Earl Seale; sergeant at arms, Mrs. C. M. Fitzgerald; reporter, Mrs. H. M. Hall.

Child welfare committee: Mrs W. C. Wasson, Mrs. A J. Paschal, Mrs. Guy Dobbs. Program committee—Mrs. D. B. Bennett, Mrs. W. C. Wasson, Mrs. Earl Seale. Finance committee: Mrs. Grover Crawford, Mrs. J. S. Norton, Mrs. Floyd Graves. Membership committee: Mrs. Tom Davis, Mrs. Jap Inmon, Mrs. Charles Holloway. Rehabilitation committee: Mrs. J. B. Coates, Mrs. E. H. Gray, Mrs. Guy Dobbs. Americanism committee: Mrs. Joe Washburn, Mrs. H. M. Hall, Mrs. Carlton Dobbs. Menu committee: Mrs. E. H. Gray, Mrs. C. W. White, Mrs. H. P McCown Courtesy committee: Mrs. R. D. Mabry, Mrs E. H. Gray. Poppy committee: Mrs. Floyd Graves, Mrs. Joe Washburn.

Negro Selectees Sent Camp Wolters

Three negro selectees were sent to Camp Wolters Friday morning for induction in the U. S. Army from Navarro County Draft Board No. 1, as follows:

Leon C. Waller, Lemmie E. Baker, aged 41 years, and Robert L. McHamlett.

Hubbard Jamison, negro, will go Saturday to Camp Wolters.

CARD OF THANKS.

We wish to thank our friends for the many kind deeds and expressions of sympathy shown us during the illness and death of our husband and father. May God bless you all.

The A. R. Horn Family.

Wm. E. Mick New Manager Local Picture Shows

Wm. E. Mick, former manager of the Paramount theatre in Waco, has been transferred to Corsicana and is now city manager of the local Interstate Theatres.

The new manager has been in the show business for twenty-seven years and has been connected with every branch of the theatre. He was with the Orpheum Circuit for eighteen years and was business manager for Marie Dressler for a number of years. He was employed with RKO in New York when he formed a connection with the Interstate.

Tuesday, Sept. 22, will be Free Movie Day in Corsicana, it was announced by Manager Mick. "Every person buying a bond at a theatre on this day will be admitted free to any one of the theatres in Corsicana," he stated. The event is in connection with the nation wide drive of the motion picture industry to sell a billion dollars worth of bonds during September.

"Free Movie Day means that the patron who buys a bond, of any denomination, at a theatre next Tuesday will not only get an immediate premium in the form of a movie ticket, but will be investing in his or her country's future," Mr. Mick said.

The management anticipates a record breaking business on this day.

Canteen Aid Course For Hi School Girls

The home economics department of the Corsicana high school, under Mrs. Murphy Williams, is cooperating with the American Red Cross in sponsoring a Canteen Aid course for eighteen girls at the school.

The course includes preparation of meals under ordinary and emergency conditions. At present large quantity cookery is being stressed. Facilities of the cafeteria are being used for this phase of the course. Mrs. R. C. Marshall, cafeteria director, is aiding.

The students will be presented Red Cross certificates upon completion of the course. They include Bobbie Nell Barham, Geline Brustein, Louise Conant, Patsy Cook, Betty Gallaher, Mary Gardner, Vivian Graham, Evelyn Lewis, Bobbie Lee Mahoney, Marceline McCafferty, Marie Scoggins, Virginia Sheerer, Jean Warren, Allene Woods, Peggy McElwrath, Gwen Kennedy, Frances Perry, Bertha Starnes.

Sgt. Troy Coolley Has been Promoted

First Sgt. Troy E. Coolley, field artillery top kick from Corsicana, Texas, was recently promoted to grade one and will receive the pay of a master sergeant as prescribed by recent legislation.

Sergeant Coolley has been chief non-commissioned officer of the artillery service organization since its creation on Feb. 1, 1941, and has been in the service since Nov. 25, 1940, date of mobilization of the Texas National Guard.

He was formerly a butcher by trade in Corsicana.

James Autry Was Slightly Injured In Canadian Mishap

James F. Autry, son of Mr. and Mrs. M. B. Autry, 602 North Twenty-third Street, suffered minor injuries and shock in an airplane accident in connection with his training with the Royal Canadian Air Force Wednesday.

His parents were notified of the accident but were assured that it was only slight and that he would return to the flying line within the next 48 hours. The nature of the mishap was not revealed.

Autry enlisted in the Royal Canadian Air Force several months ago. He is receiving his initial training at Triois Rivieres, Canada.

Lt. Milton McAfee Is Now an Instructor

FORT SILL, Sept. 18.—(Special)—Second Lieutenant Milton A. McAfee, is an instructor in the Officers' Candidate Course, communications Dept. He is the son of Terry R. McAfee, Corsicana, Texas Before entering active duty he was a printer for Jaggers-Chiles-Stovall, Inc., Dallas, Texas. He is 26 years old.

PLANS DISCUSSED FOR SCHOOL LUNCH PROGRAM IN COUNTY

LARGE VARIETY COMMODITIES WILL BE AVAILABLE SAYS OFFICIAL

Explanations of changed regulations and conditions in the Navarro county school lunch program for this year featured the meeting sponsored Thursday night at the court house under the auspices of the AMA and State Department of Public Welfare. A number of county schools were represented. E. D. McCormick, county judge, opened the meeting and presented Eldred McKinnon, area supervisor, Agricultural Marketing Administration, who presided.

Schools Represented

Schools represented were Richland, Barry, Dawson, Corsicana, Mildred, Navarro, Blooming Grove, Frost, Pickett, Corbet, Powell and Emhouse, with the colored schools of Powell and Brushy Prairie also represented.

Among those appearing on the program were Judge McCormick, Mr. McKinnon, Mrs. Ruth Yelvington, assistant project supervisor; Mrs. Marvin Silk, Dallas, assistant projects supervisor; J. C. Watson, Navarro county school superintendent; George F. Harper, Corsicana, area supervisor, State Department of Public Welfare; and R. B. Cunningham, Dallas, supervisor of commodity distribution, WYA. Frequent questions were disclosed by the officials. Following the regular meeting, conferences for individual problems were held.

McKinnon also outlined the government's milk program in the schools.

Commodities Available

It was brought out that a larger variety of commodities will be available this year and that the amount will be plentiful. The Army has taken over all dried fruits. McKinnon stressed his statement that the government wants the school lunch program to be carried on, and pointed out that in England that program is being conducted despite war conditions there. "You will get the commodities," he asserted, intimating it will be done if it is necessary to haul them by wagon and team.

Harper discussed eligibility requirements and outlined the procedure for those entitled to free lunches.

Mrs. Yelvington said the aim of WPA was to feed 25 per cent more children with 25 per cent less help. Volunteer aid will be necessary in some instances. She said 10 cans of food per child was available from the canning project. There are plenty of cans for next year already here for the 1943 canning season.

Supt. Watson said that officials would do all they can to make the project a success, but each community must make its project work.

McKinnon also outlined the program being sponsored by the government of purchasing raw milk at the source and allowing the schools to sell it to the students for 1-cent per half-pint.

Jim Henry Rampy, Aged Pioneer Resident Of Cayuga Died

PALESTINE, Texas, Sept. 18.—Jim Henry Rampy, aged 80 years, Cayuga pioneer who lived to see the discovery of oil on his land, died Wednesday at the home of a son, Hubert Rampy, in the community where he had spent his life. Funeral services were held at the Bethel cemetery.

Surviving are two sons and a daughter. One son, Lonnie Rampy, resides at Kerens.

Roy Moore Made First Lieutenant In U. S. Air Corps

Second Lieut. Roy J. Moore of Corsicana, now stationed at Blythe, Calif., U. S. Army Air Forces, was promoted to the rank of First Lieutenant this week, his parents, Mr. and Mrs. Roy M. Moore have been advised.

Lieut. Moore, a Corsicana High School graduate and University of Texas student prior to his enlistment in the Air Forces, received his wings and commission as second lieutenant April 30, this year.

25th Anniversary Year

A NATION-WIDE FOOD SHORTAGE

Those in position to know predict a definite food shortage in the United States in 1943. The Army and Navy alone will need huge supplies. One item alone is seventy-five million dozen eggs for the armed forces and for shipment abroad to our allies within the next few months.

Several times in the past few weeks we have urged farmers to give thought to the raising of poultry as a means of cutting down living expenses and adding to their cash income. We would now like to urge them and even persons living in town to consider poultry raising and the planting of large gardens as a means of helping themselves and also helping the war effort.

STATE NATIONAL BANK of Corsicana

MEMBER FEDERAL RESERVE SYSTEM AND FEDERAL DEPOSIT INSURANCE CORPORATION

BUDGET IS ADOPTED BY COMMISSIONERS IN FRIDAY SESSION

MAKE PROVISIONS FOR ESTABLISHMENT OF COUNTY HEALTH UNIT

Adoption of the budget for the ensuing year, including provision for a county health unit, setting of tax rates, adjustment of tax matters and other business was transacted at the meeting of the Navarro county commissioners court Friday afternoon following the conclusion of a hearing on the budget started Friday morning.

The over-all 1943 budget, counting the county's part in maturing road bonds amounts to $508,049.84, as compared with $566,215.67 for 1942, being $58,164.83 less for the approaching year. In the road bond interest and sinking fund, the county this year pays $76,263.46 and the state pays $118,445.38, as compared with $79,058.05 for the county and $126,233.61 for the state in 1942. The above figures do not embrace levee improvement or school district levies.

The county tax rate will be 45 cents, the same as in the previous year, on the $100 valuation, with road, state and school levies added. The state ad valoren tax is 75c on the $100.00 valuation. Only one change in road rates was made—in District No. 8—a raise from 80 cents to $1.10 to care for some delinquent bond maturities.

County Health Unit.

The county health unit part set up amounted to $3,199, $2000 from that tentatively provided for the county farm operations and $1,199 from the salary ordinarily set up for the county treasurer.

Buddy McClung superintendent of the county farm, spoke to the court and suggested the farm be abandoned for working prisoners, and to provide some couple to care for the aged. He submitted his resignation as superintendent, but it was not immediately accepted, it was stated.

The county tax rate as set is 3 cents for the jury fund, 15 cents road and bridge, 25 cents for the general fund and 2 cents for permanent improvement fund.

Road levies by districts were:

Consolidated Road District No. 1, Series D, 20 cents; two road district 1 levies, 5 and 3 cents for total of 8 cents; No. 3, 20 cents; No. 4, 50 cents; No. 5, 20 cents; No. 7, 60 cents; No. 8, $1.10 (up 30 cents); No. 9, 20 cents; No. 10, 50 cents; No. 11, no levy (all maturities paid by state aid); No. 12, 70 cents; No. 14, 10 cents; No. 15, $1.20

According to figures prepared in the adopted budget, the three cents jury levy will bring in $7,050, while the cash balance of $15,000 will bring the total to $22,050.

Road and Bridge.

The road and bridge levy of 15 cents will provide $32,000, while rents of machinery, gasoline refunds, miscellaneous, etc., will provide $106,500, plus $7,500 surplus, January 1, 1943—$114,000. Precinct 1 receives 29 percent—$32,088.50, with the three other precincts getting 23 2-3 percent—$26,187.17 each.

The permanent improvement levy of 2 cents is calculated to produce $3,750, while the estimated cash balance of $6,500 will make available $10,250.

The officers salary fund from fees earned and collected is placed at $69,000, with a balance of about $10,000—making $79,000 available there.

The General fund revenues from 15 cents levy and other sources is listed at $82,175, with a cash balance expected of $10,000, making anticipated receipts at $92,175.

Expenditures.

Expenditures expected include $7,975 for commissioners court, $6,200 for the county auditor's office, $6,830 for maintenance of buildings, $6,425 for miscellaneous items, elections, attorney's fees, assessing fees, advertising, court costs and vital statistics; $9,629 is allocated to court expenses, fees, stationery, court reporters salary, etc.; $25 is provided for probation costs, $900 is for lunacy costs; $1,289 was set aside for the county farm, $425 is for paupers' costs.

Health and Sanitation.

A total of $9,783.12 is under the heading of health and sanitation, including $900 for health officer, $5,000 for the maintenance of the P. and S. Hospital, $300 for TB transportation, etc.; $384 for interest on hospital note, and $3,199 for the health unit.

Maintenance of the jail, feeding and guarding prisoners and court attendance was set at $5,375. The salaries and supplies for the five county agents is listed at $5,105. A note for $15,000 was included while radio for the sheriff, office furniture and equipment was carried at $390.

Donations to organizations carried a total of $7,725, including Texas Defense Guard, sewing room, food stamp office, welfare office, veneral clinic, and civilian defense program.

The bond of A. A. Holt, recently-appointed constable at Dawson, was approved.

School Rates.

Following are the schol rates as set:

Chatfield, $1; Rice, 75c; Lockhart, 75c; Buffalo, 75c; Bazette, 1; Independence, $1; Powell, $1; Kerens, (Independent), $1; Long Prairie, $1; Rural Shade (Independent), $1; McCord, $1; Mildred, $1; Petty's Chapel, $1; Zion's Rest, $1; Emhouse, $1.

Oak Valley, 80c (Oak Valley patrons recently voted an automatic tax from 50c to $1 and authorities set the 80c as sufficient to care for this year's needs); Picket, $1; Cade, 50c; Angus, $1; Navarro, $1; Richland, $1; Rushing, 75c; Union Seminary, 20c; Corbet, 65c; Bryan, $1; Blooming Grove (Independent), $1; Carroll, 50c.

Dresden, 50c; Purdon, $1; Pursley, $1; Union High, $1; Griffin, 50c; Spring Hill, 75c; Brushy Prairie, $1; Raleigh, $1; Henry Jones, 75c; Frost (Independent), $1; Emmett, $1; McCandless, 50c; Sessions, $1; Barry (Independent), $1; Currie, $1; Alliance Hall, $1; Phillip's Chapel, 40c; Mt. Nebo, $1; McLeod, 75c.

Pecan, 75c; Finch, 35c; Bradley, 75c; Roane (Independent), $1; Holloway, 10c; Beaton, 20c; Winkler, 50c; Wilson, $1; Ash Creek, $1; Headquarters, 65c; Mertens, 85c; Irene, $1; Lone Cedar, 75c; Streetman $1.

RETURNING GERMAN GUNS—In the foreground above are the two German trench mortars, captured by American forces during World War I, which were presented to the American Well and Prospecting Company recently by the Johnson-Wiggins Post No. 22, American Legion, to be cast into 1,000-pound SAP bombs and returned to the original owners. Thehuge scrap metal pile in the background is part of the salvaged scrap gathered in this county during the recent drive. Attending the presentation and pictured above include left to right: Mike Edwards, Legionnaire; L. V. Majors, Legion Post adjutant; F. V. Blucher, post commander; Mayor John C. Calhoun; Elmer Rittersbacher, American Well executive; Fred D. Prince, chairman Navarro County salvage committee; Clyde L. Bickerstaff, Daily Sun representative; and William Maxwell, superintendent of the American Well.

ESTABLISHMENT OF COUNTY HEALTH UNIT IS ONE STEP NEARER

ADDITIONAL FUNDS WILL BE NEEDED TO MEET EXPENSES OF PROJECT

With adoption of the budget for 1943 by the county commissioners' court Friday, the dream of interested citizens for the past six years came closer to realization when funds were tentatively set aside for establishment of a county health unit for Navarro county.

This action is one of the final steps in securing the unit which operates in co-operation with the state department of health. The state supplements local funds and assumes responsibility for the development and supervision of the service. The need for such an organization in Navarro county was recognized by a group of civic-minded women in 1937 in a meeting at the home of Mrs. W. K. Steele, who recognized that a unit would be the foundation solution for health problems facing the community. Among those attending were Mrs. R. B. Mitchell, Miss Augusta Helm. Mrs. Lynne Wortham, Mrs. Earl Ellis, Mrs. Harry Kaufman, Mrs. Conrad Matthews, Mrs. A. E. Haslam.

Program Outlined.

A board was formed and an educational program outlined to inform people of the county as to the need and services of the unit. Weekly meetings were held and health talks given by qualified speakers as part of the educational policy. Much work done in behalf of the unit was taken over by the Navarro County Council of Parents and Teachers under the leadership of Mrs. J. E. Davis of Dawson. The project was endorsed by the County Medical Society soon after work started and it was re-endorsed by the group last spring.

A permanent organization was formed in the spring of 1942 when a meeting of citizens was called by the Chamber of Commerce. A county health unit advisory committee was formed, headed by Dr. Wilson David, chairman, and Mrs. W. K. Steele, vice chairman. Serving on the committee are Mrs Lynne Wortham, W. E. McKinney Paul Mitchell, Mrs. J. E. Davis, and Mrs. W. C. Wasson. This group was authorized to take the necessary steps toward establishment of a health unit for Navarro county.

Ask City for Funds.

Tentative approval of funds by the county commissioners' court was voted in the 1943 budget and the committee will ask city commissioners to meet county funds. The state department of health will supplement county and city funds to complete the unit budget.

Should all appropriations be made the health unit in this county would be set up with a county board of health. The county Medical Society, County Council and the county health unit. The county board of health would consist of a minimum of six members to be appointed as agreed upon by the other agencies for terms of two, four and six years in rotation. The board of health would be responsible to the county governing body for the development and conduct of the program of the health unit. It would appoint the director from an approved list furnished by the state health officer and the directfor is responsible to the board.

Advisory Committee.

The part played by the Medical Society would be the appointing of an advisory committee on health to assist the unit in formulating policies and plans in carrying out the work of the county health office. The County Council would be composed of local, civic and welfare organizations in the county acting in an advisory capacity.

The county health unit, itself, would consist of a full-time director, three public health nurses, a sanitary engineer and a clerk. The director would be licensed to practice medicine in this state and meet the qualifications as approved by the state board of health. He would devote his entire time to public health and preventive measures only, not competing in any respect with physicians in the county because his activities would be PREVENTIVE, NOT CURATIVE. He would be expected to control and investigate the communicable diseases in his county under ordinary conditions; examine all school children in his health area, the aim of which would be to have the remediable defects corrected by family physicians; work out a plan with the medical society for inoculations; hold infant and pre-school conferences along public health lines exclusively; see that the general public is informed of pertinent matters concerning public health through an educational program; know and compute local vital statistics information, in addition to other duties.

Duties of Nurses.

The work of the public health nurses would include, maternity service, infant and pre-school hygiene, school child hygiene, communicable disease control, sanitation, adult education. The activities of the nurses are under diretion of the full-time director. Their field is to co-operate with the family physician.

The sanitary engineer would have received training in modern approved sanitary methods. His work would include supervision, in an advisory capacity, of water supply and treatment plans; supervision of recommendations in regard to proper sewage disposal; finding ways and means of seeing that milk supplies are safe; obtaining environmental sanitation in urban and rural communities.

The clerk would record the entire activities of the health department on approved record forms and adequately file them so that in time a local health department can be a source of real information in public health matters.

The organization of county health department service is based on the county as a unit of government. This has the advantage that the county is an accepted administrative unit with all the various established departments of government activity.

Shower For Couple Recently Married

Mr. and Mrs. Wilson Scott, Mr. and Mrs. Jesse Richard and Mr. and Mrs. Less Richards entertained Saturday night at 8 o'clock with a miscellaneous shower honoring Mr. and Mrs. Jack Howard who were married on July 4.

Several games were played and the prizes were kitchen utensils which were, in turn, given to Mr. and Mrs. Howard. The hostesses served ice cream topped with cherries and individual chocolate cup cakes.

The many lovely and useful gifts were opened and displayed. Those attending and those who sent gifts included Mr. and Mrs. C. P. Shoemaker, Mrs. Annie Shoemaker, Mr. and Mrs. Emmett Prewitt, Mr. and Mrs. Milford Shook, Mr. and Mrs. Bernice Pollock, Mr. and Mrs. Clem Boyte, Mr. and Mrs. Eddie Steele, Mr. and Mrs. W. E. Tapley, Mr. and Mrs. W. R. Massey, Mr. and Mrs. W. E. Elliott, Mr. and Mrs. Harvey McClintock, Mr. and Mrs. Floyd Yarbrough, Mr. and Mrs. J. J. Howell, Mr. and Mrs. Elbert Cox, Mr. and Mrs. Jeff Gafford, Mr. and Mrs. Clyde Horn, Mr. and Mrs. Marvin Burk, Mr. and Mrs. W. B. Mullins, Mr. and Mrs. W. R. Elliott, Mr. and Mrs. L. C. Deaton, Mr. and Mrs. W. D. Elliott, Mr. and Mrs. J. P. Thompson, Sr., Mrs. Linnie Lee Powell, Mr. and Mrs. C. H. Howard, Mrs. Sanders. Mr. and Mrs. Fred Summerall, Mrs. Mae Novak, Mr. and Mrs. Gene Williams.

New Jersey Girl Weds Aviation Cadet

Miss Margaret Ellen Miller of Merchantville, New Jersey, became the bride of Aviation Cadet Jess G. Taylor of Portsmouth, Virginia, in a ring ceremony Saturday afternoon at 3:30 o'clock at the First Christian Church. The Rev. Robert F. Bristol, pastor, officiated.

The bride wore a street length crepe frock of summer rose with a shoulder corsage of orchids. She was attended by Mrs. Robert E. Shade of South Bend, Indiana' Aviation Cadet Marvin A. Walker was best man.

Attending the wedding were Cadets Charles M. Walls, Wilson, North Carolina; John S. Yarbrough, Agusta, Ga.; J. Frederick Walterish, Buffalo, New York; Winston Walker, Durham, North Carolina; William E. Williams, Roebling, New Jersey; Robert J. Wourms, Dayton, Ohio; Thomas R. Wright, Floydada, Texas.

Pioneer Wortham Woman Buried On Friday Afternoon

WORTHAM, Sept. 21.—(Spl.)—Mrs. Lacy Murray, aged 68 years, died at her home here at an early hour Thursday night, after several months illness. Mrs. Murray before her marriage was Miss Mary Dunn, who was born and lived most of her life in the Wortham community.

Immediate relatives surviving are her husband, and three children: Jimmie Nash of Dallas, Doyle Nash of McGregor and Mrs. Jo Bailey of Shreveport. The following brothers and sisters: Miss Annie Dunn of Wortham, Mrs. Clyde Ezell of Mexia, Henry Evans of Wortham, Alex Dunn of Teague, Ross Evans of Palestine.

Funeral services were held at the home of her father, W. S. Evans Friday at 4 o'clock. Funeral rites were in charge of her pastor, the Rev. Marshall Pinkerton, of the Central Presbyterian Church, assisted by local pastors. Interment was in the Wortham cemetery.

Capt. Fred Slauson Now Attending Air Force Officers School

MIAMI BEACH, Fla., Sept. 21.—(Special)—Capt. Frederick C. T. Slauson of Corsicana is undergoing a six weeks course of military instruction and physical conditioning at the new Air Forces Officers Training School here. These officers will direct vital administrative and supply operations of the rapidly expanding ground forces of the U. S. Army.

The Air Forces Officers training school was established for the purpose of enlisting the services, as commissioned officers, of civilian specialists. Its training program will provide Army fliers with expertly-directed ground support and relieve Air Force pilot officers of non-flying duties that have kept them grounded.

War Service Forums To Feature TFWC

AUSTIN, Sept. 21.—Two War Service Forums, one to be directed by Mrs. Oveta Culp Hobby, director of the WAACS, and the other to be led by Mrs. John L. Whitehurst, president of the General Federation of Women's Clubs, will feature the election-year convention here of the Texas Federation of Women's Clubs November 10-12.

Due to war restrictions, the convention will be greatly "streamlined" and geared entirely to the T. F. W. C. war-work program, election of officers, and routine business necessary to the functioning of the 70,000-member organization, according to Mrs. J. W Walker

For the first time in several years there will be no contested offices. Candidates are Miss Ethel Foster, Sterling City, president; Mrs. Florence Johnson Scott, Rio Grande ICty, first vice-president; Mrs. J. C. Cunningham, Fort Stockton, second vice-president; Mrs Ira D. Sykes, Houston, secretary; Mrs. Theron J. Fouts, Denton, treasurer.

Corsicana Girls Are Pledges at Texas U.

AUSTIN, Sept. 21.—(Spl.)—Three Corsicana girls were included in the list of nearly 500 new women students at the University of Texas who were announced as pledges of 19 national Greek letter sororities maintaining chapters at the University. Announcement of the pledge list came at the end of a four-day period of rushing.

Pledges will be more or less on "probation" during the first semester, and will be initiated next spring if they meet the University's scholastic requirements for sorority members.

Miss Mary Hamill and Miss Margaret Metcalf pledged Zeta Tau Alpha and Miss Buena Allyn Watt pledged Chi Omega.

Wortham Youth At Navy School.

ATHENS, Ga., Sept. 21.—(Spl)—Clifford Alton Frost, RFD No. 1, Wortham, Tex., is now enrolled in the U. S. Navy Pre-Flight school here.

Successful completion of the work here will send Frost to one of the navy's primary flight centers, then on to advanced instruction and finally an operational base. The entire pilot training period covers 12 months.

Notice

The box supper for the benefit of the Birdston cemetery will be at the high school building at Streetman Friday night, Sept. 25. Postponed from former date on account of rain.

Conant Angus; J. W. Hinkle, Barry; Henry Haveman, Frost; John Gillen, Corsicana; Aaron Prince, Corsicana; Burke Brothers, Corsicana; M. H. Colquitt, Corsicana; American Well & Prospecting Co.; J. D. Murphy, Corsicana; C. V. McCarter, Streetman; Fred Copeland, Purdon; J. T. Steele, Chatfield; W. C. McElroy, Angus; W. B. Hill, Rice; Mrs. V. L. Perkins, Dawson.

Passenger and Passenger Retreads.

L. K. Sullivan, Corsicana; Tom C. McGaugh, Richland; P. L. Woolley, Frost; Jerry Hudson, Corsicana; Mrs. O. C. Minatra, Barry; J. S. Finch, Jr., Corsicana; Mrs. W. A. Baggett, Purdon; J. D. Goforth, Kerens; Dr. W. T. Shell, Corsicana; L W. Melton, Powell; Reuben Reagan, Corsicana; M. N. Hope, Navarro; W. M. Williams, Corsicana; E. M. McClung, Kerens; J. H. DeMoss, Corsicana; C. E. Tanner, Dawson; A. S. Nagy, Corsicana; R. J. Beauchamp, Corsicana; Ed D. Griswold, Purdon.

Buses.

R. L. Walker, Dawson, bus; Emhouse Public Schools, bus; Richland School District, bus.

CORPORATION COURT.

Numerous complaints appeared on the police blotter Monday morning.

Mable Lee Cravens negress of Roane, reported her purse stolen in a local store Saturday afternoon. It contained five sugar ration cards.

Two were fined $5 each by C. L. Knox, corporation recorder, on charges of inoxication.

Nine were arrested on intoxication complaints, 11 were cited for overparking, and one for parking in a loading zone.

J. E. Cox of Roane reported to police that a 4-wheel trailer was stolen from his parked car in the 300 block on North Ninth street Saturday afternoon.

Two doors were found unlocked.

Homer Conner, negro, Corsicana, is in the P. and S. Hospital with a knife wound in the lung as a result of an altercation at Frost Saturday night. Charles Williams, negro, residing eight miles east of Corsicana, is at the P. and S. Hospital with a severe knife wound in the neck.

Ervin Scrogging, 204 North Fourteenth street, reported his room was entered and an oxford gray suit, a dress coat and a leather coat were taken.

One was arrested for associating with a prostitute and a woman was charged with vagrancy.

Police Conference Be Held Waxahachie FBI Be in Charge

The Federal Bureau of Investigation through A. P. Kitchin, special agent in charge of the Dallas office, has announced the next quarterly police conference to be held at Waxahachie, Texas, Sept. 30, 1942, at 2:30 p. m. These periodic conferences held through the United States since President Roosevelt's directive to all law enforcement agencies in September, 1939, have served to co-ordinate the national defense activities of local enforcement officials.

Mr. Kitchin announced that the conference to be held at Waxahachie is designed to include all officers in the counties of Denton, Collin, Hunt, Dallas, Rockwall, Kaufman, Johnson, Ellis, Navarro, Jack, Wise, Palo Pinto, Parker, Tarrant, Comanche, Erath and Hood. However, officers from other counties may attend this as well as the one which will be later announced for their areas. The conference will be featured by a talk by John Erhard, assistant United States attorney at Dallas, and a barbecue for the attending officers under the direction of Sheriff Jess Cariker of Waxahachie. In addition, discussion of the latest national defense problems will be led by Mr. Kitchin who has just returned from Washington where he conferred with FBI officials on internal security effecting the Southwest.

Have Fine Baby Boy.

A fine baby boy was born to Mr. and Mrs. Rete McCain at their home in Swifts Beach, Wareham, Massachusetts, on Saturday, September 12, relatives and friends here have been advised. Mr. and Mrs. McCain are Corsicana residents and Mrs. McCain will be remembered as Miss Thelma Lee Thomas. Mr. McCain is in the army and is stationed at Wareham.

Married Saturday Night.

Ralph E. Stovall and Maurene Parks Stovall were married at the home of Judge Pat H. Geraughty Saturday night. Judge Geraughty performed the ceremony. Mr. and Mrs. Stovall will reside in Corsicana.

More Men Be Drafted.

A number of white men will be sent to Dallas for examination Tuesday by Navarro County Draft Board No. 2, while a contingent from Board No. 1 is scheduled for Thursday.

GEORGE T WATTS DIED HERE SUNDAY; RITES ON MONDAY

Funeral services were held Monday afternoon from the Corley chapel for George Thomas Watts 67, who died at his home, 812 South Main street, Sunday morning.

Rites were conducted by Rev J. J. Slone, pastor of the Calvary Baptist church. Interment was in the Campbell cemetery near Drane

Surviving are his wife of Corsicana; five sons, Pat Watts, Aquilla; Jack Watts, Dallas; Harvey Watts, Corsicana; Marvin Watts, Dallas, and B. C. Watts, Corsicana; four daughters, Mrs. Ethel Armstrong, Dallas; Mrs. Myrtle Tomlinson, Fla.; Mrs. Emily Mae Riley, Dallas, and Mrs. Lola Ellison, Corsicana; three brothers, Wil Watts, Fred Watts and Thad Watts, all of Corsicana; three sisters, Mrs. Mary Martin, Dallas; Mrs. Pearl Ratliff, Sweetwater; Mrs. Villa Stead, Dallas, and 12 grandchildren.

SCRAP

CONTINUED FROM FIRST PAGE

tractors and concrete-mixers, they collected 136,171,012 pounds (68,000 tons) of scrap, or close to 104 pounds for every one of the 1,315,000 persons in the state.

The secret of their success was organization set in motion by Nebraska newspapers that had been stirred to action by the fact that there was scrap all around, but it wasn't moving to the scrap piles. People weren't looking for it, or they had lost interest in looking because what they gathered was not picked up.

Don Humphries Promoted.

Word has been received that Don Humphries, U. S. Navy, has been promoted from the rank of second class seaman to second class petty officer. Humphries, who is stationed in San Diego, California, ranked third high in a class of 168.

JOHN H. YEARY, FORMER CORSICANAN, BURIED IN DALLAS

John Hubert Yeary, aged 47 years, of Dallas, former resident of Corsicana, died Friday in the Veterans Hospital in Dallas.

Funeral rites were held in Dallas Sunday afternoon at 2 o'clock with burial at Farmersville. The rites were conducted by Rev. A. A. Peacock, pastor of the Eleventh Avenue Methodist church of Corsicana.

Surviving are his wife, Dallas; a son, John Hubert Yeary, Jr., Port Arthur; mother, Mrs. Ada Yeary, Dallas; two brothers, Frost Yeary, Austin, and W. D. Yeary, Camp Polk, La.; and four sisters, Mrs. Allen Motter, Mrs. R. G. Chandler and Mrs. Frank Hood, Pampa, and Mrs. Blake Browning, Burkburnett.

J. N. EDENS AND HIS ACTIVITIES IN NEWSPAPER FEATURE

A feature story, including several ranch scenes, appeared in Sunday's Fort Worth Star-Telegram concerning the Edens ranch, southeast of Corsicana. It was written by Robert E. Hicks, staff correspondent, and outlined the 4-H club boys loan plan sponsored by J. N. Edens, Sr., for the past several years, in addition to other activities of the local ranchman, banker and civic leader.

Photos of the J. N. Edens, Sr., ranch home, Mr. Edens and J. N. Edens, Jr., William Edens Cunningham, 5, son of Mr. and Mrs. Jack Cunningham, grandson of J. N. Edens, Sr., riding a horse, and several registered Hereford bull yearlings were included.

THE WAR TODAY

CONTINUED FROM FIRST PAGE

place one more obstacle in Hitler's way.

Why should the Finns suddenly decide to get from under? It's only fifteen months ago that they cast their lot with the nazi all highest, in the face of American and British warnings. That was when Hitler's troops weer grinding all Europe under their hob-nailed boots, and there was nothing in sight to stop them.

Finnish Field Marshal Baron Mannerheim's chest even now is jangling proudly with metal which Hitler and Mussolini awarded him recently as an honored ally.

Well, one can see several reasons why the Finns want peace. One of them is that the tinkling of Mannerheim's decorations can't drown the sound of the hurricane which is rising to destroy the nazi anti-christ. In short, the Finns allied themselves with a loser.

Then, too, we have the notable coincidence of heavy Red attacks against the Finns recently. The resources of the little country must be running very low, and there has been a terrible drain on their manpower. And the Germans can't help them much with supplies.

There's the further thought that the Finns undoubtedly are anxious to regain the friendship of the United States. It was a sad day when our little colleague, whose loyalty we had boasted and toasted, joined hands with the arch enemy of Christiandom. The Finns said they had to do it to adjust their mighty grievance against Russia. But Uncle Sam and John Bull didn't figure it that way. Finland—or was it largely Baron Mannerheim?—made a terrible mistake.

NEW PLANES

CONTINUED FROM FIRST PAGE

Sources here said the Heinkel 177 can operate at about 23,000 feet on bombing missions, and that this was about the height from which the Flying Fortress of the United States Army air force bombed German-held territory in Europe successfully by daylight.

The Heinkel 177 is equipped to carry the heaviest load of any German bomber ever to fly over Britain, indicating that the Germans are copying the big bomb-carrying trend in the RAF while following the American lead in sub-stratosphere operation.

American Models.

Against the new model German fighters the United States army air corps has to offer the Republic Thunderbolt and the Lockheed P-38 Lightning, both so far untried in this theater of the war. Despite the new-model German motors, air experts here said that neither the ME-109-G nor the FW-190 touches the power of the Thunderbolt's 2,000-horsepower aircooled engine.

Experts here agreed that the new German fighters were not likely to have any profound effect on either RAF night bombings nor the Flying Fortress day raids.

The present FW-190's easily operate at Fortress height, but have been beaten off repeatedly by the superior gun power of the four-motored American bombers.

British Spitfires still claim control of the air over the invasion coast, and the RAF has not announced new models of its own.

Notice

The box supper for the benefit of the Birdston cemetery will be at the high school building at Streetman Friday night, Sept. 25. Postponed from former date on account of rain.

NEWS FLASHES

We Will Show Them

Considered a weakness by our enemies, our ability to play is really a virtue. Fanatical devotees of Hitler and Hirohito cannot understand how fun and sport-loving American boys could become such first-rate fighting men. Before we are done we will open their eyes to many more of our hidden qualities of grit and courage.

HEALTH, BEAUTY AND POISE

HOW TO IMPROVE YOUR PERSONALITY

By VERONICA DENGEL

BLACK FOR ROMANCE

For the young girl who just craves a black dress—and whose Mother keeps insisting that she is much too young for it—perhaps you both can compromise on this frothy creation which is worn by Veronica Lake (Paramount star, soon to be seen in "I married A Witch.") It is black—but it is young, too. It is revealing, but the arms and shoulders are covered! Really, rather a lovely frock, don't you think? The bodice and little apron affect in the front are made of black lace—applied over the dress of black souffle. Notice the deep tuck in the hem which gives it body and keeps it standing away from the feet in a romantic fashion. The under slip is of pale pink souffle—very soft and very full. Tiny buttons run from the Peter Pan collar to the heart shape in the bodice.

Frothy, black for Youth-

With such a dress it would be quite a mistake to wear jewelry—the only possible adornment would be flowers in the hair—and these should be in pale pink.

Your mother is right when she refuses to let you have a "slinky" black dress—there are many years ahead when such sophistication can be yours. Wear your soft tulles, and chiffons while you can—you'll never want to when you are older, because the few older women who mistakenly hang on to the youthful type of evening clothes are rather pathetic. For them, smooth, fitted gowns in crepes of sheer wools are so much smarter.

All requests for personal "Health Beauty and Poise" information desired by Veronica Dengel's column followers must be accompanied by a fully self-addressed, stamped envelope (s. a. s. e.) Address: Veronica Dengel in care of this newspaper.

Enrolls In Bible Institute.

A. Derwood Lane, son of Mr. and Mrs. James A. Lane, has recently enrolled for Bible training in Moody Bible Institute, Chicago.

Indications point to an enrolment in the Institute's day and evening schools this term which almost meet last year's figure of 2,000.

This is contrary to the general trend for educational institutions, most of which are experiencing a five to ten per cent drop in registrations.

INTERNATIONAL

CONTINUED FROM FIRST PAGE

tons had destroyed or damaged six escorting warships in a six-day attack on a British and American convoy in Arctic waters.

The claim was characterized in London as exaggerated, although unofficial British sources said losses on the Murmansk route over many months undoubtedly had been considerable.

Daily farther behind schedule in its hopes to announce a victory at Stalingrad, the German high command said bitter resistance by the Russians continued, with the defense forces bolstered by new reserves from the East.

In the Caucasus, however, the Germans claimed gains. They said they had captured the towns of Terek and Vladimirovka in their thrust toward the oil wealth of Grozny. Terek is six miles east of Mozdok, and some 55 miles northwest of Grozny where the Germans have been fighting for days for bridgeheads. Vladimirovka is 80 miles northwest of Brozny and approximately the same distance from the shores of the Caspian sea.

German Attacks Repulsed.

VSardrofs aypySm hfob shrdlu shr

Russian accounts said repeated German attacks in the Mozdok region and along the Black Sea coast south of Novorossisk had been repulsed.

Russian forces kept grimly to their diversion assault on the German lines from Voronezh to the Leningrad front, but it was at Stalingrad that the future positions of the great battle-locked armies was being determined.

As lengthening nights of the approaching winter brought the air war of Western Europe toward a new climax, British pilots back from the RAF's last big-scale attack on the Reich told of laying waste to whole blocks of Munich, birthplace of the nazi party, in a Saturday night raid which touched off fires that could be seen for 100 miles.

Other British bombers attacked the Saar industrial region the same night.

A few German planes were over England last night.

Opposing land forces were quiet in the Egyptian desert war. Air activity continued on both sides. The British announced that fires visible 30 miles were set in a Saturday night bombing of the axis supply of Tobruk. The Italians said Sicily also was raided.

Germans Report Blasting Convoy.

BERLIN, (From German Broadcasts), Sept. 21.—(AP)—The German high command said today that Nazi airmen hit three more ships yesterday out of a big Russian-bound Ameerican and British convoy in which it claimed previously that 38 merchant ships totaling 270,000 tons were sunk and six accompanying warships destroyed or damaged.

The Nazi war bulletin said this latest action occurred in Dvinskaya Bay, near the Soviet port of Archangel. Both German planes and submarines were declared to have taken part in the running fight starting a week ago and covering hundreds of miles of Arctic waters.

(There was no confirmation of these enemy claims from any Allied source.)

Tirpitz Seeking Convoy Prey.

LONDON, Sept. 21.—(AP)—The German Super-battleship Tirpitz was reported today to have left her refuge in the Norwegian Port of Trondheim and to be patrolling Arctic Sea lanes under the cover of Nazi warplanes in search of Allied convoys.

The report was the first intimation of activity by the great warship since last July 9, when the Russians announced that one of their submarines had scored two torpedo hits on her in Arctic waters, thus foiling a Nazi attempt to smash a big Allied convoy.

The Tirpitz was said to have holed up in Trondheim Fjord after this attack, hiding there during the long summer days when her movements could have been checked by aircraft had she ventured forth.

Yugoslavs Kill Many Iatlians.

MOSCOW, Sept. 21.—(AP)—Yugoslav patriots, carrying on guerrilla warfare against the Italian army of occupation, have killed or wounded approximately 300 of Premier Mussolini's soldiers in the past few days near Banjaluka, 150 miles west of Belgrade, the Soviet Information bureau reported today.

Stockholm Election Results.

STOCKHOLM, Sweden, Sept. 21.—(AP)—Social Democrats lost their absolute majority on the Stockholm City Council in a regular election yesterday, preliminary results showed today, with communists registering the greatest gain.

Near Madagascar Capital.

LONDON, Sept. 21.—(AP)—The Madagascar radio said today that British forces now are within 37 miles of Tananarive, the island capital. The broadcast was heard at Port Louis, on Mauritius Island.

First Norther of Season Brings 54 Degrees Weather

The first norther of the season blew up Saturday afternoon and the temperature dropped from a high of 92 for the day to 58 during the night. The cool wave continued over Sunday when a maximum temperature of only 77 was registered. The low reading Sunday night was 54.

Bright sunshine Monday ran the temperature up and at 1 o'clock in the afternoon the thermometer at the Daily Sun office registered 76 degrees.

PRISON SYSTEM IS CONTRIBUTING MUCH TO SCRAP CAMPAIGN

HUNTSVILLE, Sept. 21.—(AP)—The Texas prison system is contributing everything but the bars to Uncle Sam's campaign for collection of scrap metal. And although officials don't admit it, there's a report that even a few bars have gone into the war effort.

Since the first of the year 379 tons of scrap metal have been shipped, and workmen are engaged in on undertaking that will provide an additional 500 to 1,000 tons in the form of steel rails salvaged from an unused railroad track.

The prison system has shipped 301 tons of scrap iron, 62 tons of tin, 15,370 pounds of copper, 2,082 pounds of old radiators and 3,946 pounds of stainless steel since Jan. 1.

Scrap has been collected from many sources throughout the system. An old sugar mill was scrapped. Leavings from the system's own iron foundry have been carefully collected and saved. Worn out farm machinery, old horseshoes and other available types of metal have gone into the collection.

Thomas O. Mitchell Has Army Commission

FORT SILL, Okla., Sept. 17.—(Special) Thomas Owen Mitchell of 522 North Beaton Street, Corsicana, was graduated from the Officers Candidate School here this week and has been commissioned a second lieutenant in the Field Artillery in the United States Army.

Lieutenant Mitchell has been assigned to Camp Hood, Texas.

Sea Scouts to Meet.

Sea Scouts will hold a ship meeting at the Third Avenue Presbyterian Church Tuesday night at 8 o'clock to complete plans for the year's work, it has been announced by I. G. Pumpelly, Scout executive. All who are interested are urged to be present.

John Pugh is skipper of the troop and Rev. Gordon A. MacInnes is one of the leaders.

Over Two and Half Million Dollars Are Returned to Fund

AUSTIN, Sept. 21.—(AP)—Gov Coke R. Stevenson announced today that $2,527,110 in unexpended state funds had been returned to the general fund by state institutions.

Allocated by the Board of Control for construction and operational costs, approximately $2,000,000 of the sum represented a balance from building appropriations and the remainder from savings in operations, the governor said.

Asserting "This is a good record of efficient operation," Stevenson commented that "this report must be considered against a background of rising living costs and the care we are giving the insane."

Approximately 1,400 insane persons lodged in jails one year ago have been placed in state eleemosynary institutions, the governor declared.

Plenty of Mitchells In County Office

Three new deputies named Mitchell Monday began their duties as assistants in the office of Halley Blake, county assessor and collector of taxes, making out receipts for the tax roll. The trio are not related by blood although the married women are sisters-in-law. All reside in Corsicana.

The new deputies are Miss Leah Beth Mitchell, Mrs. Alvin Mitchell and Mrs. John Mitchell.

Sunday School Class Plans Party Honoring Beauford H. Jester

The Young Men's Bible Class of the First Methodist Church will give a party Tuesday night at McCammon's lodge near the Country Club honoring Beauford Jester, teacher of the class for many years who was elected Railroad Commissioner in the last primary.

All members of the class are urged to attend.

County Council Of Home Clubs Met Saturday

The Navarro County Council of Home Demonstration Clubs met Saturday at Kinsloe House with Mrs. R. P. Garrett conducting opening exercises Songs were sung and the club pledge, motto and prayer repeated in unison.

Mrs. Etta Skinner, finance chairman, gave a report on club donations, asking that all clubs send in their reports as soon as possible. Mrs. Frank Shaw, yearbook chairman, asked for suggestions for changes in yearbooks for the coming year. It was decided that more songs will be added.

Mrs. C. M. Stover, chairman of reporters, asked that all reporters attend the meetings. Council members voted to have short achievement tours instead of the usual long one in order to conserve tires. Mrs. C. C. Willis announced the grouping of clubs for tours as follows: Monday, Oct. 12, Richland, Mildred, Angus and Pickett; Tuesday, Oct. 13, Union High, Stansell and Spring Hill; Wednesday, Oct. 14, Oak Valley, White's Chapel, Corbet and Emhouse; Thursday, Oct. 15, Barry, Jones Ranch and Bryan; Friday, Oct. 16, Bazette, Rice, Roane, Independence and Powell. Each club will be informed as to the route to be taken. Miss Vera Sneed asked that all club members attend if possible. Tours will begin at 10 a. m.

Mrs. Frank Shaw and Mrs. J. E. Gilmore, lelegate to the state convention at Fort Worth gave reports on their trip. Mrs. Shaw discussed recreation at the convention and Mrs. Gilmore told of the business sessions. The speakers said the Home Demonstration clubwomen were doing more to help win the war than any other organization. There are 46,000 Home Demonstration club women in Texas and all are working with this slogan in mind, "Work. Worship, Love and Faith."

Miss Sneed told members that in a meeting at College Station last week, Home Demonstration club agents and agricultural agents discussed plans for the future year's work. The Victory Demonstrators' Pledge is the general topic for the year. Miss Sneed urged every member to read her pledge again.

The next council meeting will be October 17. Clubs are urged to keep their attendance up.

Harvey Will Again Head Camp Fire Girls Campaign

F. H. Harvey, Jr., will again head the annual budget campaign for the Camp Fire Girls organization which will open Tuesday, October 6th, and run through that week.

Mr. Harvey has headed the last two campaigns in a very successful manner and will start an once getting up his organization for this years campaign. For the past fifteen years the Camp Fire Girls have held their campaign the first of October, and will close this year's work with a fine program among the girls the last day of this month.

Old Landmark Being Demolished Friday

An old land mark in the residential district of Corsicana is being torn down today, the one-story house at the corner of Eighteenth street and West Sixth avenue, across from the high school which has been standing nearly fifty years.

The house located on what is known as the Booth property has stood in a delapidated condition for many years and has been on fire a number of times, each time being promptly extinguished by the fire department.

The house which has in the past housed some of the prominent families of the city, along with the other Booth property has been in litigation for a number of years, but was just recently sold to Johnnie Pierce, who is having the old house removed.

Vocational Teacher State Home Resigns

Chester Boyd, vocational agriculture teacher at the State Home, has resigned to accept a like position at Lewisville, it has been announced by John H. Robertson, superintendent.

Mr. Boyd will leave Thursday to assume his new duties. No successor has been named, Mr. Robertson said.

LEGION

CONTINUED FROM FIRST PAGE

offered by the employment committee, headed by Lawrence J. Fenlon of Illinois.

National Commander, Lynn U. Stambaugh, presented the egion's distniguished service medal to General Douglas MacArthur through Maj. Gen. James A. Ulio, the adjutant general of the army. Ulio, in accepting the medal for MacArthur, spoke over a short-wave radio broadcast to Australia.

"I am sure if General MacArthur were here today," Unio said, "I am sure that he would accept it first in the name of those who have fallen in battle with him.

"Perhaps he would remind you that no possible circumstances must for one moment delay the flow of arms, ships and planes to place in the hands of his command the implements of victory.

"In accepting this distinguished service medal of the American Legion on behalf of General MacArthur, may I say to you his name—Carry-on—with all the strength and courage which have made and preserce America—carry on."

Loud cheering went up from the 1,500 delegates at the convention as Stambaugh broadcast greetings to the fighting men of the world from the fighting men from World War One.

In addition to calling for enactment of a national cervice law, the Legionnaires also asked for legislation that would give the same job security to enlisted men and women in the armed forces upon their return as it now provided those drafted under the selective service act.

To Admit New Veterans.

Yesterday the Legion voted to ask congress to amend its charter so that veterans of the present war could be admitted to membersnip.

The action came by a resolution —one of several approved by the convention's 1,500 delegates. One of them reaffirmed the Legion's stand against strikes and discrimination in employment at war production plants.

They pledged complete support to the President in prosecution of the war; condemned persons refusing to bear arms for the nation and petitioned conogress for legislation barring government employment of conscientious objectors.

The question of a 1943 convention was left for the executive committee to decide.

Caucuses in advance of the annual election today gave Roane Waring of Memphis, utility executive and attorney, such a commanding advantage for national commander that the voting today is regarded as a mere formality.

NELSON

While the Germans were thus seeking to widen their penetration in the city, they still were checked in the valleys and ravines on the approaches to the city in other sectors, dispatches said.

The mid-day communique said only that in the Stalingrad area "fierce fighting continued. Our units annihilated about two regiments of German infantry, destroying 11 tanks and 89 trucks and silenced two artillery and eight mortar batteries."

No Women, Children in Stalingrad.

LONDON, Sept. 21.—(AP)—T Reuters dispatch from Moscow said today all women and children had been removed from Stalingrad. Every able-bodied man was under arms and helping in the city's defense, the dispatch said.

INFLATION

CONTINUED FROM FIRST PAGE

He formally introduced the amendment today.

Senator Thomas (D-Okla.) said a senate agricultural sub-committee would submit the following amendment to the bill to the full agricultural committee toforrow:

"Parity prices and comparable prices for any agricultural commodities shall be determined as authorized by existing law, but also shall include all farm labor."

Thomas estimated that rule, if applied, would make the ceiling prices of farm products approximately 112 per cent of parity, as based on the index figures for the period 1900-1914.

President Roosevelt is on record as "unalterably opposed" to any change in the present method of computing parity.

Thomas said the amendment was proposed by the American Farm Bureau Federation, the National Grange, the Council of Farm Co-operatives and others.

Debate Planned.

The senate prepared to start debate during the day on a measure authorizing and directing the president to act before Nov. 1 to stabilize prices, wages and salaries at Sept. 15 levels so far as practical.

The house, awaiting a decision by its rules committee on the length and scope of its prospective debate, scheduled consideration of a somewhat different version tomorrow with leaders counting on a final vote late Wednesday or Thursday.

Senator Brown (D-Mich) expressed hope the senate would pass the bill Wednesday.

A speedy adjustment of senate-house differences would be necessary to put the measure on the president's desk Saturday, five days before the Oct. 1 deadline he set in his you-do-it-or-I-will message to congress of Sept. 1.

With this rapid-fire timetable in mind, the administration mustered forces in a confident attempt to beat off expected farm bloc amendments which would boost by 4.6 per cent the lowest level at which price ceilings could be applied to argricultural products.

fore coming to Australia about three months ago.

American Airmen Active in China.

CHUNGKING, Sept. 21.—(AP)—American airmen made 23 bombing raids on Japanese installations in occupied China, French Indo-Shina and Burma in July and August, shot down 28 Japanese planes and probably six more and destroyed 30 enemy craft on the ground without the loss of a single bomber in combat.

These figures were given in a summary today by Lieut. Gen. Joseph Stilwell's headquarters which listed the loss of five American fighters during the two month period. The pilot of one fighter was known to be safe, it added.

Japs Double Tracking Rail Line.

CHUNGKING, China., Sept. 21.—(AP)—The official Central Daily News reported today that the Japanese were double-tracking the railway between Tientsin and Peiping, a distance of 70 miles to facilitate military transportation.

Australians Hold Out on Timor.

MELBOURNE, Sept. 21.—(AP)—High up in the mountains of Portuguese Timor in the South Pacific a force of Australians well-stocked with good food and tobacco—is still defying the Japanese, who announced occupation of the Island Feb. 19.

A mixed force of native troops from Dutch Timor, the western half of the island, and Australians moved into Dili in the Portuguese colony ten days after the attack on Pearl Harbor to forestall an expected Japanese expansion. Portugal protested against the allied action and it was agreed the allied troops would leave when Portuguese reinforcements arrived.

The first Japanese landing was made by 4,000 troops. The Australians were quartered outside the city of Dili, which fell easily to the Japanese on Feb. 19. The Australians, with the Dutch troops which escaped Dili, moved into the interior.

Reports reaching Australia say that the Japanese repeatedly have sent strong searching parties into the interior after the Australians and each time the Japanese have been ambushed and have suffered severely.

DECISION BETWEEN ARMY AND INDUSTRY MANPOWER NEEDED

WASHINGTON, Sept. 21.—(AP)—Chairman Tolan (D-Calif) of the house special committee on defense migration, citing "the absence of a final authority to allocate our manpower resources," declared today that "the time has come when some clear decision between army and industrial needs must be made."

"With a projected army of ten to thirteen million, it is apparent that many additional millions must replace the men taken from war industry," he said. "Our manpower is limited."

His statement was issued after selective service director Lewis B. Hershey had indicated that more 10,000,000 Americans would be in the armed forces by the end of next year.

Calls for childless married men will start going out generally in December or January, Hershey said, as the supply of single men, including those with dependents, becomes exhausted.

Married men with children will be called beginning around Oct. 1, 1943, unless congress authorizes the drafting of 18 and 19 year olds. Approximately 2,250,000 of the latter age group registered this year for service after they reach 20, but so many of them have enlisted that perhaps no more than 1,000,000 are left.

Senator Hill (D-Ala) planned to introduce today an amendment to the selective service act that would give the president broad powers to coordinate manpower and industry for maximum efficiency.

Two North Atlantic Sinkings Reported

WASHINGTON, Sept. 21.—(AP)—The navy announced today that enemy submarines had torpedoed a United States ship in the North Atlantic in early July and a British vessel in the North Atlantic in March. Survivors of both merchantmen have been landed at an East Coast port.

Sixteen men from the British ship died of extreme cold during four days in a lifeboat, naval officials disclosed without giving further details. Twenty-seven men were lost in the attack and only 10 survivors reached an East coast port.

Thirty-eight survivors of the United States ship reached an East coast port. The crew spent eight days in lifeboats before reaching land and one man died after landing.

The German high command had previously announced this vessel sunk out of a convoy in the Arctic.

Allied Airmen Blasted Japs in South Pacific

GEN. MACARTHUR'S HEADQUARTERS, Australia, Sept. 21.—(AP)—Operating without interference from enemy planes Allied fighters yesterday attacked the vital Japanese base at Lae on the Northeast coast of New Guinea for the third successive day, burning five barges and a tugboat and damaging shore installations.

A communique announcing the raid said Allied fighters and bombers also had blasted Japanese supply lines extending inland from Buna, 175 miles below Lae, to Kokoda, on the route of the Japanese drive toward Port Moresby.

The assault on Buna, which touched off fires and heavy explosions, was the thirteenth on that target since Aug. 25.

On the New Guinea ground front Allied headquarters reported "no change in the general situation," indicating the Japanese still were stalled at Ioribaiwa, a hemlet on the southern slopes of the Owen Stanley mountains 32 miles airline from Port Moresby.

An Allied spokesman, meanwhile, announced elimination of another threat to Port Moresby with the completion of "mopping up" operations in the Milne Bay area on the southeast tip of New Guinea, where the Japanese set troops ashore during the last week in July.

GOV STEVENSON JOINS LIST RUBBER OPTIMISTS MONDAY

AUSTIN, Sept. 21.—(AP)—Gov. Coke R. Stevenson said today that capacity for producing 872,000 tons of synthetic rubber annually would be available by the middle of 1943.

Quoting from a report submitted to him by George S. Armstrong and company of New York, industrial engineers and management consultants, the governor asserted that 20,000,000 cars "could be kept rolling under normal operation" if available supplies of scrap rubber were converted into tires for civilian use'

"From July to January of next year alone," Stevenson told his press conference, "340,000 tons of synthetic rubber will be produced under present schedules.

"The military requirements for all of this year total only 271,000 tons, according to a report from the war production board."

Asserting the WPB had allocated 150,000 tons of rubber for essential civilian use this year, Stevenson quoted a paragraph from the Armstrong report listing 310,000 tons for export exclusive of lease-lend requirements.

The governor said that he felt "a pertinent inquiry would be where this rubber for export is going in view of the small amount destined for civilian use in the United States."

When requested to draw conclusions from the report in relation to the Baruch committee's recommendation for nation-wide gasoline rationing to conserve rubber, Stevenson said:

"These figures speak for themselves."

Navarro County Farm Agents at Conference

Navarro county farm agents attended the extension agents conference in College Station from Tuesday through Friday last week.

Those attending from Corsicana were H. C. Robinson, county agent; Ben D. Cook, assistant county agent, and Miss Vera Sneed, county home demonstration agent.

Tobruk Boomber Again.

CAIRO, Sept. 21.—(AP)—Fires visible 30 miles were started by RAF heavy and medium bombers which attacked the axis supply port of Tobruk, more than 300 miles west of the Egyptian battlefront, on Saturday night, a British communique reported today.

Germans Shot Down Allied Planes.

ROME (From Italian Broadcasts), Sept. 21.—(AP)—German fighter planes shot down four allied formations in the rear of the Egyptian front, the Italian high command said today. Numerous allied motor vehicles were erported set on fire.

First Corn Picker Machines Ever Sold in This County, in Operation—

Leon (Himself) Daniels, sales mgr., Tire and Implement Departments, Simon Daniels, states he delivered two J. I. Case corn picker machines about two weeks ago, first ever sold in Navarro County. One is in operation on J. L. Whorton farm at Kerens, other on Sam Rowe farm also at Kerens. The J. I. Case corn pickers will pick approximately 96 per cent corn off stalk and will either pick or pick and husl the corn. In times like these when labor is short, one man operates the picker and one machine picks approximately 20 acres corn per day.

Any one interested in how the pickers work can go out to see them in operation.

MANY NEGROES ARE ARRESTED ALLEGED EVASION OF DRAFT

CHICAGO, Sept. 21.—(AP)—The FBI announced today a roundup of about 80 negroes, leaders and members of three Chicago organizations which federal agents said were aimed at defeating the selective service law.

Of the 12 leaders of the groups, 11 have been apprended and charged with sedition and conspiracy to commit sedition. The members have been charged with violation of the selective service act by allegedly failing to register or to comply with directives of their local draft boards.

Albert Johnson, special agent in charge of the Chicago FBI office, said the roundup started yesterday and was completed last night. His account of the arrests was:

One of the organizations is the Peace Movement of Ethiopia, headed by Madame Mittie Maud Lena Gordon, who uses the title of President General. The organization boasts membership of 4,000,000 negroes in 46 states.

Madame Gordon's claim is that the members are citizens of Liberia and as such belong to the same race as the Japanese.

The second organization is the Brotherhood of Liberty for Black People of America. Its founder and president is Stokley Delmar Hart.

The third group is called the Temple of Islam. One leader of the Temple of Elijah Mohammed, whose real name is Elijah Poole, but is also known as Elijah Muck-Muhd, the prophet.

SENATE MOVES TO LIMIT TAXES NOT OVER 90 PERCENT

WASHINGTON, Sept. 21.—(AP)—The senate finance committee amended the new revenue bill today to place a limitation on the amount of federal income and victory taxes which could be collected from any individual at 90 per cent of his net taxable income.

Committee attaches said this would affect only persons with taxable incomes of approximate $1,000,000 annually, since the combined rate of both taxes would not exceed 90 per cent for those in lower brackets.

Because approximately 43,000,000 persons will be required to file federal tax returns under the new bill, the committee acted at the treasury's suggestion to eliminate a provision requiring taxpayers to have their returns notarized.

Colin F. Stam, head of the congressional tax staff, said that perjury statutes would cover persons who made false returns, even though the returns were not sworn.

Cleaning up odds and ends in preparation to a session tomorrow to consider revision of the present laws governing the renegotiation of war contracts, the committee adopted several minor amendments.

ITALIAN COUNT IS ARRESTED IN BRAZIL ADMITS HE IS SPY

RIO DE JANEIRO, Brazil, Sept. 21.—(AP)—Police announced today that the Italian Count Edmondo di Robilant had been arrested nad har confessed that he provided information for transmission to Rome concerning the passage through Rio some time ago of the British transport Queen Mary.

The tall, thin di Robilant, a high official of the Italian Lati airline was taken into custody with several other persons, and the police said the arrests broke up a major Italian espionage ring.

An official announcement said that the count was instrumental in mounting a radio transmitter which passed secret information to Rome, and that he had provided data concerning materials on ships coming from the United States for use in a big Brazilian steel mill now under construction, as well as informing on the Queen Mary

President Asks For Additional Funds for Navy

WASHINGTON, Sept. 21.—(AP)—President Roosevelt asked congress today to appropriate $2,731,154,307 more for the navy, including $100,000,000 for arming merchant ships.

The largest item was $960,000,000 for the Bureau of Aeronautics, of which $820,000 would be for the procurement of helium.

The new funds would supplement regular appropriations already made.

Other items in the request, which the budget bureau said was necessary "to provide for additional requirements for the prosecution of the war," included:

Training, education and welfare, $21,640,000; pay, subsistence and transportation of naval personnel, $734,216,136; Bureau of Yards and docks, $35,069,775, including sufficient funds to purchase 2,000 passenger vehicles; Marine Corps pay $204,418,642; miscellaneous expense of the Marine Corps, $250,000,000; Coast Guard pay, allowances and miscellaneous expenses, $339,166,000.

MUSICIANS COUNSEL DEFEND PRESIDENT JAMES PETRIOLLO

WASHINGTON, Sept. 21.—(AP)—Counsel for the American Federation of Musicians today defended its president, James C. Petrillo, as a patriot after Thurman W. Arnold, assistant attorney general, accused the union of "attempting to destroy independent businesses which do not employ musicians."

Joseph A. Padway, the attorney, also told a senate interstate commerce subcommittee investigating the union's ban against recordings and transcriptions for radio stations and "juke boxes" that the prohibition was voted unanimously by the union at conventions and that the union was not "dominated in any way" by its president.

Arnold told the committee that the ban was "an attack upon industrial freedom," and that an order preventing broadcasting of music by High School students at Interlochen, Mich., was "an attack on individual freedom of expression."

Padway testified that no organization in the country was more patriotic and that union musicians had "given hundreds of thousands of dollars of their time" free to army and navy programs.

He said he would join Arnold in expediting hearing of a government motion for a preliminary injunction to restrain the union from maintenance of the ban.

AGED NATIVE OF NAVARRO COUNTY DIED IN DALLAS

Andrew M. Smith, 81, native of Navarro county, died at the home of his daughter, Mrs. R. H. Jones, at Dallas Sunday night.

Funeral services will be held Tuesday afternoon at 3 o'clock from the Chapel of the Corley Funeral Home. Interment will be in the Grape Creek cemetery. Rites will be conducted by Rev. A. A. Peacock, pastor of the Eleventh Avenue Methodist Church.

The deceased was one of the oldest members of the Grape Church. He was visiting his daugter at the time of his death.

Surviving are his wife of Corsicana; seven daughters, Mrs. Joe Roach, Houston; Mrs. G. A. Smith, Dallas; Mrs. J. W. Driver, Dallas, Mrs. Mary Selman, Dallas; Mrs. R. H. Jones, Dallas; Mrs. E. D. Smith, Navarro; and Mrs. A. D. McElroy, Grandview; five sons, John T. Smith, Dallas, Neal Smith and Newton Smith, both of San Francisco; George L. Smith, Dallas, and P. A. Smith, Dallas; one stepson, Vernon Humphries, Waco; and a sister, Mrs. S. F. Humphries, Corsicana; 25 grandchildren and seven great-grandchildren.

WEST TEXANS WANT GRAIN SORGHUMS BE USED MAKE RUBBER

ABILENE, Sept. 21.—(AP)—The West Texas Chamber of Commerce pressed today a recommendation that the national administration give prime consideration to grain sorghums as a raw source material in the nation's synthetic rubber program.

The chamber said yesterday that it has presented to W. L. Jeffers, newly appointed rubber administrator a report substantiating its contention that the sorghums are an unexcelled source for the prodwuction of ethyl alcohol, butadienne and rubber.

The marketing and utilization of the sorghum crops, of which West Texas is the largest producer, are not under government control.

The regional chamber has submitted to Jeffers chemists' analyses showing that the sorghums have a high alcoholic content and, on the basis of current prices, will produce ethyl-made rubber at a cost lower than other vegetable products.

The chamber alos has sought the aid of the Texas congressional delegation and of U. S. Commerce Secretary Jesse H Jones and others.

The location of alsohol and rubber plants in West Texas is sought.

PRESIDENT NAMES ARMY OFFICERS FOR GRADE PROMOTIONS

WASHINGTON, Sept. 21.—(AP)—President Roosevelt gave new recognition to the army's growing armored force today by nominating Major General Jacob L. Devers, its commander, for temporary promotion to lieutenant general.

Devers' name topped a list of 81 nominations for promotion in the army, which was sent to the senate. The ground and air forces similarly are headed by commanders with rank of lieutenant general, second highest army grade.

Included among 19 brigadier generals advanced a grade to major general were Brigadier General Ira C. Eaker, Eden, Texas, head of the new army bomber command in England, and several commanders of new armored and infantry divisions. In addition, 62 colonels were nominated for promotion to brigadier general. Those named major general included:

John H. Milldring, New York City, commander 84th Division, Camp Howze, Teas.

Vernon E. Prichard, Onawa, Ia., commander 14th Armored Division, Camp Chaffee, Ark.

Andrew D. Bruce, Washington, D. C., commander tank destroyer training center, Camp Hood, Texas.

Work Ordered Start On Health Centers

FORT WORTH, Sept. 21.—(AP)—Instructions to start work on health centers to serve war workers in two Texas areas were issued here today by James W. Bradner, Jr., regional director of the federal works agency, to the contractor, Jim Pribble of Austin.

Construction of one of these projects, located at Texarkana, was to start today, while construction of the other, located at Paris, is to be started not later than September 28. Each contract was awarded on a bid of $32,000.

Easy, Convenient, Cheap—Just Phone your Want Ad to 163.

Three Killed in Crash of Bomber

SHREVEPORT, La., Sept. 21.—(AP)—Two officers and an enlisted man from Barksdale Field here were killed yesterday when their two-motored B-26 bomber crashed, exploded and burned near Plain Dealing, about 25 miles north of Shreveport.

Listed as dead were Second Lt. Burton W. Basten, 23, of Placentia, Calif., pilot; Second Lt. Harorld Kester, 24, of Cory, Ind., co-pilot; Staff Sgt. George W. Chandler, 23, of Dallas, Texas.

OREGON CROWD IS DISPLEASED WITH RELIGIOUS SECT

KLAMATH FALLS, Ore., Sept. 21.—(AP)—A demonstration directed against members of a religious sect left a multitude of black eyes and tender noses in Klamath Falls today.

Townspeople, reacting to there days of pamphleteering by 400 convention delegates of Jehovah's Witnesses, the sect that refusecs on religious grounds to salute the flag, surrounded the Witnesses' convention building yesterday.

They set up a war bond booth and called to Witnesses to make purchases. Sound equipment blared patriotic music. None of the sect members responded.

Small at first, the crowd grew to 1,000. A rock was thrown at the building. Windows shattered as a few stink bombs and rotten eggs followed.

Part of the crowd rushed an entrance. Sect members met them with sticks. After 15 minutes of battle, the crowd retreated. Minor injuries were numerous on both sides, but nothing serious was reported.

The crowd kept the hall surrounded, and eventually a few Witnesses filed out, bearing pamphlets, which promptly were seized and destroyed in a street bonfire. Witnesses' banners next were torn down.

Police efforts were unavailing, and it was only after four hours and an appeal from Gov. Charles A. Sprague in Salem that the crowd dispersed.

Departing, townspeople overturned 25 automobiles of sect delegates, mostly from California and Oregon.

The delegates left town soon after, cancelling a scheduled night meeting.

Two Dead, Eighteen Injured in Flying School Explosion

COLEMAN, Tex., Sept. 21.—(AP)—Two persons were killed and 18 others were injured in an explosion which blew the administration building of the Coleman Flying school to pieces today.

No offiical reason was immediately announced as to the cause, but unofficial reports indicated it resulted from an accumlation of gas from a faulty connection.

The dead were George Kneit of Austin, Tex., office manager for the Odom Construction Co., killed instantly, and Mrs. Arch Yarbro, about 25, office manager for the Civilian operation of the school. Mrs. Yarbrough died in a hospital shortly after the explosion.
